GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 1782-L.—2nd July, 1980.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 39 of 1980

THE WEST BENGAL SCHEDULED CASTES AND SCHEDULED TRIBES (RESERVATION OF VACANCIES IN SERVICES AND POSTS) (AMENDMENT) BILL, 1980.

A

BILL

to amend the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) Act, 1976.

WHEREAS it is expedient to amend the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) Act, 1976, for the purpose and in the manner hereinafter appearing; West Ben. Act XXVII of 1976.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) (Amendment) Act, 1980.

Amendment of section 4 of West Ben. Act XXVII of 1976. **2.** Section 4 of the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) Act, 1976 shall be renumbered as sub-section (*1*) of that section and after sub-section (*1*) as so renumbered, the following sub-section shall be inserted:—

"(*2*) The number of any Scheduled Caste or Scheduled Tribe candidate qualifying on merit for appointment to any unreserved vacancy in a service or post in any establishment to be filled up by direct recruitment shall not be deducted from the quota reserved in such service or post for such candidate under sub-section (*1*).".

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) Act, 1976 (West Bengal Act XXVII of 1976) came into force on the 15th August, 1976. The Act provides for reservation of 15% of vacancies for Scheduled Castes and 5% of vacancies for Scheduled Tribes in services and posts under the State Government to be filled up by direct recruitment as well as by promotion.

The Scheduled Castes and Scheduled Tribes together constituting more than 25% of the total population of West Bengal are now actually represented in only 6.7% of the posts under the State Government. If candidates belonging to the Scheduled Castes and Scheduled Tribes, qualifying on merit, are adjusted against the reserved vacancies without enhancing the percentage of reservation, the representation of the Scheduled Castes and Scheduled Tribes in services and posts under the State Government will fall far below the proportion the population of these backward classes bears to the total population of the State. In view of the present under-representation of the Scheduled Castes and Scheduled Tribes in services and posts under the State Government, the Scheduled Castes and Scheduled Tribes candidates qualifying for posts on merit should be reckoned against the general vacancies and not against the reserved vacancies in order to ensure their adequate representation in services and posts under the State Government.

The Bill has been framed with the above object in view.

Member-in-charge.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri M. MUKHERJEE, Judge,
Second Industrial Tribunal.

AWARD

The Government of West Bengal, Labour Department, has referred an industrial dispute between Messrs Kamala Engineering Works, 124 Barrackpur Trunk Road, Calcutta-35 and their workman Shri Padanava Jha, Brickfield of H/o Bholanath Tewari, 42 B. C. Chatterjee Road, Calcutta-56, by its Order of Reference No. 1260-I.R./IR/10L-15/78, dated 18th March 1978, to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act for adjudication on the following issue:

Issue

Whether termination of employment of Shri Padanava Jha is justified? To what relief, if any, the workman is entitled?

After receipt of the Order of Reference, notices were sent to the parties fixing 8th June 1978 for appearance when the parties appeared. The petitioner-workman filed his written statement on 4th September 1978 and the opposite party-Company filed its written statement thereafter on 4th December 1978. The case was fixed for

hearing on 12th February 1979 by my order No. 11, dated 29/30th December 1978, but the opposite party-Company being absent, the case was fixed for ex parte hearing on 28th February 1979, by my order No. 12, dated 12th February 1979. The case was again fixed for hearing on 20th March 1979, by my order No. 13, dated 26th February 1979, when both the parties filed separate petitions praying for time. The opposite party-Company has taken adjournments thereafter on 29th March 1979, 2nd May 1979. There were further adjournments on the ground of compromise on 21st May 1979, 21st June 1979 and 19th July 1979 and again on the prayer of the opposite party-Company on 30th July 1979. The case was taken up for hearing on 10th August 1979, when the petitioner-workman adduced evidence and the hearing continued on 22nd December 1979, when the opposite party-Company examined its witness in full, who was cross-examined in part. There have been subsequent adjournments on 21st January 1980, 11th February 1980 and 26th February 1980. Thereafter, the petitioner-workman was present on 28th March 1980 and 19th April 1980 but the opposite party-Company was absent. On 19th April 1980, the petitioner-workman filed a petition for passing an ex parte award, which was allowed by my order No 30, dated 19th April 1980, as the case has been much delayed because of the negligence and laches of the opposite party-Company and 30th April 1980 was fixed for passing the ex parte award.

The petitioner-workman's case is that the opposite party-Company employed 36 workmen in its factory including durwans and clerical staff under the opposite party-Company since 1966. On or about May 1973, the opposite party-Company closed down the factory terminating the services of all the workmen except the durwans, whose services were retained for safety and security of the properties, both movable and immovable. The petitioner-workman had been residing inside the factory premises and continued to do so even after the closure of the factory and in May 1973 he prayed for leave 3 months, which was allowed and he proceeded on leave. On expiry of the leave period, he reported to his duty, but he was not allowed to resume his duty. No explanation was given to him why he would not be allowed to join his duty. Subsequently he was told that after reopening of the factory, he would be given employment and the petitioner-workman waited for employment in good faith as such, but even after reopening of the factory, he was not given employment. He made a representation to the proprietor requesting him to provide employment or terminate his service and make payment of his legal dues, but the letter came back with the postal endorsement "refused". Thereafter, the petitioner-workman made a representation to the Assistant Labour Commissioner on 2nd June 1979 for his intervention in the matter. The management gave a different story, when they were asked to support their comments as to the petitioner-workman's case by the conciliatory authority. The petitioner-workman refuted the allegations of the opposite party-Company by his letter, dated 13th September 1976. The conciliation proceedings continued on several dates, but without any result due to adamant attitude of the employer resulting in the present Order of Reference.

I need not look into the defence or evidence on record on behalf of the opposite party-Company as the award is being passed ex parte.

The petitioner-workman has examined himself in support of his case and has stated that he was serving under the opposite party-Company since 1960 as a durwan and was living inside the factory premises in his quarters. The durwans were being continued to be employed by the opposite party-Company even after the closure. He stayed inside the factory premises for the entire period of May 1973. He was granted 3 months' leave thereafter by the proprietor. After the expiry of the period of leave, he met the proprietor of the opposite party-Company, when he told P.W. 1 to join to his duties on lifting of the closure of the factory of the opposite party-Company. The factory was started afterwards on lifting of the closure, but he was not allowed to join to his duties. He has proved the registered cover which came back with the postal endorsement "refused". The letter sent to the opposite party-Company, which have been marked as Exts 1 and 2(a) respectively. Copy of the original letter sent has also been proved as Ext. 2. He has not received any communication from the opposite party-Company since the expiry of May 1973 till the Order of Reference was passed. He has proved the communications between him and the Assistant Labour Commissioner and these have been marked as Exts. 3 series. He has proved the registration receipts relating to sending of medical certificate to the opposite party-Company and those have been marked as Ext. 4 series. He also proved relevant acknowledgment receipts, which have been marked as Exts. 5 series. He has denied that he is now employed in a brick-field under Shri Bholanath Tewari as alleged by the opposite party-Company.

He has been cross-examined at length but nothing has transpired during his cross-examination because of which he may be disbelieved. This apart, when I am passing this award ex parte, I need not look into the cross-examination of the petitioner-workman.

The petitioner-workman has proved that his service has been terminated by the opposite party-Company by way of refusal to allow him to join to his duties on his reporting to his duties after the expiry of his leave. He has also proved that he made a demand of justice to the opposite party-Company by his letter Ext. 2(a) sent by the registered cover Ext. 1, which came back with the postal endorsement "refused" and in view of the decision reported in 62 C.W.N. 193, the petitioner-workman is entitled to the presumption that the registered cover being properly addressed to the opposite party-Company and stamped, it was tendered to the addressee and refused as such by the opposite party-Company. Exhibits 3 series are the

communications between the petitioner-workman and the conciliatory authority. It has been clearly established from the oral and documentary evidence on record that the service of the petitioner-workman was terminated by way of refusal of employment by the opposite party-Company without any reason or ground, whatsoever and so it is not justified. It has also established from Exts. 1 and 2(a) that the petitioner-workman made demand of justice to the opposite party-Company after refusal of employment by the opposite party-Company and thereafter, he referred the matter to the conciliatory authority for intervention by him and the conciliation proceedings failed.

This evidence on record entitles the Tribunal to hold that the termination of employment of the petitioner-workman is not justified. The first part of the issue No. 1 is so answered in the negative As a result, the petitioner-workman is entitled to reinstatement with back wages from the date, when he was refused employment and as if his service was never terminated as such, till he is reinstated. The 2nd part of the issue is so disposed of.

The opposite party-Company shall give reinstatement to the petitioner-workman within one month from the date of publication of this award and also shall pay the back wages from the date he was refused employment till the date of his reinstatement as such.

This is my award.

AWARD

The Government of West Bengal, Labour Department, by its order No. 3181-I.R./IR/11L-224/76 dated the 28th June 1976, referred under section 10 of the Industrial Disputes Act, 1947, an industrial dispute existing between Messrs. Hindusthan Brown Boveri Ltd., 184 J. N. Mukherjee Road, Salkia, Howrah-711106 and their workmen represented by Hindusthan Brown Boveri Employees Union, 20 J. N. Mukherjee Road, Salkia, Howrah, to this Tribunal for adjudication in respect of the following issue :

Issue

Whether dismissal of Shri A K. Banerjee is justified ? What relief, if any, is he entitled to ?

On the receipt of the Order of Reference here the usual notices from the Tribunal have been

issued to and served the parties who in pursuance thereof have entered appearances and have filed their respective written statements.

The case of the Union in its written statement in brief is that the workman concerned namely Shri A. K. Banerjee was employed as the Accounts Assistant in the Accounts Department of the Company. For reasons best known to the Company it was not favourably disposed of towards Shri Banerjee who was served with a charge-sheet issued by the Company for the alleged acts of misconduct involving habitual absence without permission and commission of acts subversive of good behaviour or of discipline of the establishment. The workman Shri Banerjee submitted his reply or explanation in writing to the charge-sheet which having been found not satisfactory by the Company there was held a domestic enquiry against the workman Shri Banerjee at the instance of the Company. The enquiry is neither fair nor proper. In the enquiry no proper opportunity was given to the workman Shri Banerjee for defending himself. The Company has no Standing Orders and the charge-sheet has been issued on the basis of some inapplicable Standing Orders. The learned enquiry officer who was not competent to hold the enquiry acted as a prosecutor. On the basis of the report of the learned enquiry officer finding the workman Shri Banerjee guilty of the charge the Company dismissed the workman Shri Banerjee from the services in the Company. Such act on the part of the Company is the result of victimisation. The Union prays for directing the Company to reinstate the workman Shri Banerjee with full compensation for the period of forced unemployment.

The case of the Company in its written statement in brief is that the enquiry has been properly and fairly held in obedience to the principles of natural justice. In the enquiry the workman was given every opportunity to cross-examine the witnesses on behalf of the Company examined in the enquiry and to defend himself. On the report of enquiry and considering the circumstances the Company, by its letter, dated 2nd November 1975 dismissed the workman Shri Banerjee from the services in the Company with immediate effect. The Union or for that matter the workman Shri A. K. Banerjee is entitled to no relief.

At the instance of the Company and on the basis of its petition filed on 31st July 1978, the question as to the validity or otherwise of the domestic enquiry with incidental matters has been heard.

Both parties have adduced evidence oral and documentary.

Indisputably the workman Shri Banerjee was employed as the Accounts Assistant in the Accounts Department or Section of the Company.

Ext. A is the copy of the charge-sheet, dated 26th August 1975, issued by the Company to the workman Shri Banerjee who admittedly received the same.

The relevant portion of the charge-sheet (Ext. A) reads as follows :—

"It has been complained against you that you are in the habit of absenting yourself from your duties without permission. This year you have availed of all your casual leave & sick leave meant for the full calender year by end of April, 1975, along with the major portion of privilege leave and absenting yourself (see list enclosed) without permission on any day you wish. Further for your such absence from duties the Company's work seriously suffered.

From the enclosed list mentioning the number of days you absented yourself (beyond Casual, Sick & Privilege leave normally due) during the year 1973 and 1974 also shows that your attendance has always been unsatisfactory.

Your above acts amounts to:

1. Habitual absence without permission.

2. Commission of any act subversive of good behaviour or of the discipline of the stablishment, and which fall under clauses 11(6) and 11(12) of the Certified Standing Orders of the Company read with clause 6 of the letter of appointment dated 14th April 1967 issued to you."

To the charge-sheet are appended three lists containing the number of days of the alleged absence of the workman Shri Banerjee respectively for the years 1971, 1974 and 1975.

Ext B is the explanation or reply in writing dated 28th August 1975 of the workman Shri Banerjee to the above charge-sheet. Such explanation reads inter alia as follows:

".....The absence referred to above has been for unavoidable circumstances and was never taken to constitute any misconduct as indicated charge-sheet....."

If by such absence I was violating any of the clauses of the Standing Orders or it was causing difficulties with Company's work I should have been told earlier instead of sujecting me to a charge-sheet....."

No Certified Standing Orders of the Company are forthcoming. It is also in the evidence of the learned enquiry officer Shri Pijush Kanti Mukherjee (O. P. W 3) that no copy of the Certified Standing Orders of the Company was produced before him at the enquiry. It is also in the evidence of the workman Shri Banerjee (P W 1) that the Company has no Certified Standing Orders.

Suffice it to note, however, that the mere absence of standing orders, if any, of the Company does not by itself make the impugned order of dismissal invalid or the domestic enquiry held

against the workman Shri Banerjee improper and unfair provided the principle of natural justice are followed and the alleged miscounduct is proved.

Admittedly, the workman Shri Banerjee (P. W. 1) participated in the enquiry throughout. The materials and evidence on record more than clearly establish that in the enquiry the workman Shri Banerjee was given full opportunity to cross-examine the witnesses examined on behalf of the Company in the enquiry and to defend himself No case of any bias of the learned enquiry officer in favour of the Company or against the workman Shri Banerjee has been pleaded in the written statement of the Union. No such bias of the learned enquiry officer is also proved on the evidence on record. In his evidence the workman Shri Banerjee (P. W. 1) has not disputed the authority of the learned enquiry officer Shri Mukherjee (O. P. W. 3) to hold the domestic enquiry. In course of the enquiry the workman Shri Banerjee has also not ever raised any protest against the propriety of the enquiry.

On the materials and evidence on record the Tribunal is more than satisfied that the learned enquiry officer (O. P. W. 3) has followed the principles of natural justice in conducting the enquiry The fact that the learned enquiry officer himself in the enquiry examined-in-chief the witnesses of the Company though not happy does not however satisfy the Tribunal that any prejudice has thereby been occasioned to the workman Shri Banerjee. The Tribunal thus believes and holds that the domestic enquiry held against the workman Shri Banerjee is fair and proper suffering from no procedural defects. The Company however, has no escape.

The present dispute arises out of the alleged dismissal of the workman Shri Banerjee from the services in the Company for misconduct. Section 11A of the Industrial Disputes Act, 1947, comes into play. The said section of the above Act gives power to the Tribunal to differ both on a finding of misconduct arrived at by an employer as well as the punishment imposed by him. The Tribunal is now clothed with the power to reappraise the evidence in the domestic enquiry and satisfy itself whether the said evidence relied on by the Company establishes misconduct alleged against the workman Shri Banerjee (vide the case of the workmen of Messrs. Firestone Tyre & Rubber Co. reported in 1973(I) L.L.J 278).

The three lists appended to the chargesheet (Ext. A) record the days of absence of the workman Shri Banerjee from duty namely 38 days, 43 days and 35 days in the years 1973, 1974 and 1975 (up to 26th August 1975) respectively.

In the report of enquiry (Ext F) the learned enquiry officer has not considered the second count of charge and has not come to any finding in regard thereto while in the report he has considered the first count of charge namely "habitual absence without permission". In the report (Ext. F) the learned enquiry officer has, however, held Shri A. K. Banerjee namely the workman guilty of the charge for which he was charged.

Be that as it may, the learned enquiry officer in his report (Ext. F) has concluded that the workman Shri Banerjee was habitual absentee and in arriving thereat he has considered the number of days of absence of the workman Shri Banerjee for the three respective years 1973, 1974 and 1975 (upto 26th August 1975).

There is no documents forthcoming to show that by the alleged absence of the workman Shri Banerjee from duty without permission to the work in the Company suffered to any extent And the oral evidence adduced on behalf of the Company in the enquiry in that regard is not convincing. Of the witnesses of the Company examined in the enquiry Shri Harendra Nath Chakraborty the then Works Accountant is the material witness. The said witness shows to have indulged in answering most of the material question put to him in cross-examination by the workman Shri Banerjee by saying to the effect "the question is irrelevant", "the question is not relevant", "the question does not relate to the charge-sheet etc". This is unfortunate. However the benefit must go to the workman Shri Banerjee belonging at all material time to the weaker class. In the enquiry it has thus not been established on the material and evidence that the work of the Company suffered to any extent owing to the alleged absence of Shri Banerjee the concerned workman from duty without permission.

The evidence adduced on behalf of the Company in the enquiry discloses that there was used to be maintained yearly appraisal report relating to the above workman Shri Banerjee. The evidence adduced on behalf of the Company in the enquiry also shows that there was no adverse report against the workman Shri Banerjee. The evidence adduced on behalf of the Company in the enquiry also discloses that such annual appraisal report relating to the workman Shri Banerjee also covered the number of days of his absence from duty and that such annual appraisal report for any particular year ends after the year is over. No such annual appraisal report has also been produced by the Company in the enquiry. That being so the Company having slept over or for that matter acquiesced in the alleged absence of the workman Shri Banerjee from duty without permission for the days respectively noted in the list appended to the charge-sheet for 1973 and 1974 the days of absence of Shri Banerjee as aforesaid respectively for the years 1973 and 1974 must of necessity be kept out of consideration for investigating into the alleged misconduct of habitual absence in 1975 without permission.

It is not unlikely that such acquiescence on the part of the Company led the workman Shri Banerjee to note in his reply (Ext. B) to the charge-sheet as follows :—

"If by such absence I was violating any of the clauses of the standing orders or it was causing difficulties with Company's work I should have been told earlier instead of subjecting me to a charge-sheet."

That being the position and in the context of what is stated above and on the materials and evidence on record the Tribunal is not convinced and satisfied to believe and hold that the workman Shri Banerjee has committed any misconduct warranting his dismissal from the services in the Company by absenting himself from duty for the days in question as noted in the list appended to the charge-sheet for 1975 (upto 26th August 1975).

Thus the finding of the learned enquiry officer in his report (Ext. F) that the workman Shri A. K. Banerjee is guilty of the charge he has been charged cannot be sustained since the Tribunal on a reappraisal of the evidence adduced in the enquiry fails to find the alleged misconduct to have been proved.

Ext. 10 is the letter, dated 2nd November 1975 of the Company to the workman Shri Banerjee dismissing him from the services in the Company with immediate effect.

Since no alleged misconduct is proved there could be no dismissal of the workman Shri Banerjee from the services in the Company.

In course of submitting the arguments the learned representative for the Union has referred to the Western India Match Company case reported in 1973(II) L.L.J. 403 and to the decision reported in 1968(I) L.L.J. 571 (between Hindustan Brown Boveri Ltd. and their workmen and another) and also to section 13A of the Industrial Employment (Standing Orders Act, 1946 In course of submitting the arguments the learned lawyer for the Company has referred to the decisions reported in Rashtradoot case [1970(J) L.L.J. 58], Harinagar cane case (1963(I) L.L.J. 692), Calcutta Electric Supply Corporation case (1978 C.W.N. 628). J. K. Cotton Manufacturers case (A. I. R, 1959 All 639), the case of Biswanath Das 1978(37) F. L. R. 344), the case of Municipal Corporation of greater Bombay (1978(53) F. J. R. 113) the case of Dhana Krishna Adhikari (A. I. R. 1960 Calcutta, 225), the case of Ram Kumar Singh (1979(39) F.L.R. 1). Firestone Tyre case 1967(II) L.L.J. 715), Central Bank case (1969(II L.L.J. 377, Tata Engineering & Locomotive Company case (1969(II) L.L.J. 799), Saxby & Farmer case (1962(II) L.L.J. 52), the case of Parry's Employees' Union (1956(II) L.L.J. 535). Hamdard Dawakhana Wakf case (1962(II) L.L.J.P. 772) and Heeke & Engineering Co. (1976(I) L.L.J. 73).

In arriving at the above the Tribunal has guided itself by the above decisions referred to on behalf of the parties in so far as such decisions are attracted to the facts and circumstances of the present case. The order of dismissal contained in the letter (Ext. 10) of the Company cannot but be set aside as being not lawful. The order of dismissal of the workman Shri Banerjee from the services in the Company contained in its above letter (Ext. 10) is set aside.

There is no case of the Union in its written statement that since his dismissal from the services in the Company the workman Shri Banerjee is without any employment or without any earning.

In the circumstances the claim of the Union for the full compensation for the period of forced unemployment is left open to the parties to be fought out in the proper forum if they so desire and if they are so advised.

The workman Shri A. K. Banerjee is thus to be reinstated. The workman Shri Banerjee to note that since the Company of late has moved against him he is to be on his guard on being reinstated against any further occurrence of habitual absence if any, on his part from duty without permission. The issue is thus disposed of accordingly.

The Company is accordingly directed to reinstate the above workman Shri A. K. Banerjee within thirty days from the date of publication of this award in the Calcutta Gazette.

This is the award of the Tribunal.

No. 5900CSI.—11th July 1980.—Whereas the unit known as Messrs Alok Udyeg Vanaspati and Plywood Limited, Budge Budge Unit, being a State industrial undertaking under sub-clause (b) of clause (5) of section 2 of the West Bengal Relief Undertakings (Special Provisions) Act 1972 (West Bengal Act XIII of 1972) (hereinafter referred to as the said Act), was declared by this department notification No. 6125CSI, dated the 18th August 1978, as a relief undertaking under section 3 of the said Act on and from the 18th day of August 1978 and for the period up to the 17th day of August 1979 (hereinafter referred to as the said period):

that the preliminary objection and the merits of the case would be heard together. The evidence started on 10th May 1979 and it was closed on 13th December 1979. After several adjournments the arguments were heard on 10th April 1980 and 9th May 1980.

The case of the Union, in short, is that Paritosh Saha joined the Company as a Stenographer on 6th July 1976 after passing the necessary test on 3rd July 1976. Shri Saha was told that the formal letter of appointment would be issued from the Bombay Office subsequently. There are various documents to show that Shri Saha was working all along as a Stenographer. For the first time on 28th October 1976 he came to know that his designation as Stenographer was penned-through, and he was described as a Typist. The workman lodged a protest.

On 29th October 1976 the workman was served with an appointment letter in which he was described as a Typist-cum-Clerk. In the subsequent appointment letter, dated 1st March 1977, he was described as a Typist only. The workman protested but he was assured that the matter would be regularised in due course.

The workman concerned went on working as a Stenographer. There was recommendation for his confirmation in the post of Stenographer with two advance increments. But strangely enough a letter was issued on 1st June 1977 confirming him as a Typist only. The workman raised a dispute. The conciliation failed. Therefore, this reference has been made as to whether the management is justified in not allowing the grades and scales of pay of Stenographer to Paritosh Saha.

The Company's case is that Shri Saha raised the dispute which is different from that referred to this Tribunal and as such, the reference is not maintainable. Shri Saha started his job on daily wage basis from 6th July 1976 as a Typist-Clerk. A formal letter of appointment was issued on 1st September 1976. Shri Saha also accepted the appointment letter, dated 1st March 1977, by which he was appointed as a Typist. Shri Saha was not entitled to confirmation as a Stenographer because he was appointed as a Typist. The post of a Stenographer is a higher post and the promotion to a higher grade is not automatic. The vacancies are notified as and when they arise, and the candidates are required to appear before the Competent Officer for written and/or oral or speed test. Shri Saha did not avail of such opportunity on any occasion. Shri Saha cannot claim the post of Stenographer as because some officers gave dictation to him and was satisfied with his work. Shri Saha never passed the test of Stenographer. No assurance alleged by him was given out by the Company. The recommendations by some officer for confirming him as a Stenographer does not prove that Shri Saha was working as a Stenographer in the Company. The claim of Shri Saha is without any basis and he is not entitled to any relief.

The Company has not pressed the preliminary objections raised in the written statements. Therefore, I shall enter into the merits of the case directly. The question is whether Shri Saha is entitled to the grade of a Stenographer. In order to decide this point it is necessary to investigate in what capacity Shri Saha worked. Shri Saha was appointed when the Economic Times for the first time opened the branch in Calcutta. In paragraph 1 of the written statement the Union has made out a case that Shri Saha successfully passed the necessary test of Stenographer under Mr. Chary on 3rd July 1976, and from the date of appointment on 6th July 1976 Shri Saha has all along been working as a Stenographer. Let me see how far this case rings.

P.W. 1 is the workman concerned. He has deposed that he passed the test of Stenography on 3rd July 1976 and was appointed as a Stenographer with effect from 6th July 1976. This case of the workman is supported by the letter, dated 11th July 1977 (Ext. 14/a). Shri R. Venkatachary wrote to Shri Ramesh Chandra that Shri Saha was recruited as a Stenographer when Shri Venkatachary was in Calcutta to launch the edition of the Economic Times. He could not then recruit Shri Saha as a Stenographer if no test in this respect was taken. Therefore, the workman's version in this respect cannot be disbelieved. Shri Venkatachary is now the News-editor of the same paper in Delhi, but the Company has not examined him. This speaks a volume against the Company.

Exhibit 1 is the joining report, dated 6th July 1976. This joining report goes to show that Shri Saha was appointed to do the job of a Stenographer. I have been asked by the management not to rely on the joining report as the original is not forthcoming. I am unable to accept this contention. The original is lying with the Company. The Company has not produced any register of the period to show that no such joining report was at all submitted. This report was addressed to the Press Manager. The Press Manager, Shri Arora, O.P.W. 2, has been examined in this case. He has not denied the receipt of such joining report. It is not necessary for the party to disclose his evidence in the pleadings. Therefore, it cannot be said that the joining report, Ext. 1, is of subsequent origin as it is not specifically mentioned in the Union's written statement. Exhibit 14/a, the letter of R. Venkatachary, leads me to accept Ext. 1 as a genuine document.

There are other in impeachable documents of the Company to show that Shri Saha all along worked as a Stenographer. On 27th September 1976, the News-editor B. M. Sahai wrote a letter regarding the office arrangement during the Puja holidays. In that letter Shri Saha was clearly described as a Stenographer. It cannot be said that Shri Saha was wrongly described as a Stenographer instead of a Typist because in the same letter another employee was described as a Typist only. Therefore, it is clear that Shri Saha was not working as a Typist. This letter was addressed to Shri Arora who has deposed in this case as O.P.W. 2. Shri Arora has not given any explanation for that letter. There is nothing on record to show that Shri Arora pointed out to

Shri Sahai that Shri Saha was wrongly described as a Stenographer.

Shri Saha began working in this concern on and from 6th July 1976. There was no scent of any dispute then. In August 1976, the News-editor of this Company gave the certificate to Shri Saha regarding his performance as a Stenographer in the Editorial Department, (vide Ext 14). Had he not been working as a Stenographer, such certificate would not have been given. After Shri Venkatachary, Shri B M. Sahai became the News-editor. He too in the letter, dated 28th October 1976, Ext. 4a, wrote to Shri Arora that Shri Saha was working as a Stenographer from the very inception of the paper in Calcutta. In December 1977, the Acting News-editor also wrote to the Accountant that Shri Saha was working as a Stenographer in the Editorial Department, (vide Ext. 11). There is not an iota of evidence that all these News-editors were hostile to the Company. Therefore, these letters cannot be easily brushed aside, and these letters conclusively prove that Shri Saha was recruited as a Stenographer and was doing the job of a Stenographer all along in the Editorial Department. Exhibit B is the Application form for Office Staff. In the column post applied for' the word 'Stenographer' was written by the applicant. If Shri Saha did not apply for the post of Stenographer at the time of appointment, he would not have written it in this column. This word 'Stenographer' has, however, been penned through by an officer of the Company and the word 'Typist' was written by him. Significantly enough, this correction was not brought to the notice of the workman concerned. Neither the Company has produced the application of the workman concerned to show that Shri Saha originally applied for the post of a Typist only. Exhibit 2 is the copy of the E.S.I. Form which was filled in by Shri Saha on 30th July 1976. His nature of work has been shown as that of a Stenographer in it. Cash Vouchers, Ext C series, show that deduction was made from the wages of Shri Saha on account of E.S.I. Scheme. Therefore, Ext. 2 cannot be considered as a fake document. The Company has not produced any document to show that in the original declaration form something else was written as the nature of work. Had Shri Saha been a Typist only, he would not have described himself as a Stenographer. So, there is overwhelming evidence to show that Shri Saha was recruited as a Stenographer and he was doing the job of a Stenographer all along.

Now, let me consider the evidence adduced by the Company to see how far it destroys the case of the Union. The Company relies strongly on the two appointment letters, Exts. 5 and Ext. 5/a. It has been submitted to me that if he had been recruited as a Stenographer, he would not have been appointed as a Typist-cum-Clerk (vide Ext. 5) and then as a Typist (vide Ext. 5/a), and the workman would not have remained silent till the date of his confirmation when the present dispute was raised. In Ext. 5/a, Shri Saha was described as a Typist-cum-Clerk. This was issued on 1st September 1976. There is nothing on record to show that Shri Saha applied for this post. Again, if he was appointed as a Typist-cum-Clerk the Company's officials could have corrected Ext. B accordingly, but in Ext. B it was corrected to describe Shri Saha as a Typist only. The very description Typist-cum-Clerk indicates that Shri Saha was not doing the job of a Typist only. I have already shown that in many letters of the Company's officials it was mentioned that Shri Saha was doing the job of a Stenographer in spite of this appointment letter, dated 1st September 1976. Shri B. M. Sahai informed the Press Manager who issued the appointment letter, Ext 5 that Shri Saha was a Stenographer and would work as such during the Puja holidays (vide Ext 3). Therefore, it is quite clear that the correct designation of Shri Saha was not given in the appointment letter. If Shri Saha was appointed as a Typist-cum-Clerk, he could have been confirmed in that post, but he was confirmed as a Typist. Shri Arora, O.P.W. 2, says that the grades and scales of pay of a Typist and a Typist-cum-Clerk are the same. If it had been so, there was no necessity of issuing a fresh appointment letter as a Typist on 1st March 1977, (vide Ext. 5/a), after the issue of appointment letter on 1st September 1976. Even after this appointment letter, dated 1st March 1977, Shri Saha was described as a Stenographer in the official correspondences to Shri Arora, (vide Ext 3/a) and to the Labour Officer (vide Ext. 3/c). If Shri Saha was actually Typist, the mistake in the two letters would have been corrected. Therefore, it is clear that the correct designation of Shri Saha was not mentioned in the appointment letter.

It has been submitted to me that Shri Saha was a Typist and he took dictation from some officers on some occasions, but it could not entitle him to demand the grade of the Stenographer, and the recommendations of some officers are not binding on the Company. Shri Sahai, O.P.W 1, says that he occasionally gave dictations as Shri Saha told him that he knew short-hand. The evidence of Shri Sahai should be taken as a grain of salt. In the letter, dated 28th October 1976 (vide Ext. 4/a), Shri Sahai himself wrote to the Press Manager that Shri Saha was working all along as a Stenographer from the very inception of the paper. Therefore, it cannot be believed that he casually took dictation from the officers. Shri Ganguly, the learned Representative of the Management, submits that in the original letter there is no endorsement to Shri Saha and it speaks volume against the workman concerned. Even if there is doubt whether a copy of this letter was endorsed to Shri Saha or not, it is undisputed that this letter, Ext 4/a was written by him to Shri Arora. Therefore, the contents of this letter, Ext. 4/a, cannot be thrown out as because there is doubt about the endorsement. So, this contention fails. Shri Venkatachary recruited him and Shri B. M. Sahai came subsequently. I have already pointed out that Shri Venkatachary admitted in the letter, dated 11th July 1977, Ext 14/a, that Shri Saha was recruited as a Stenographer. In view of Shri Saha's own

letter, Ext. 4/a, he cannot be believed when he says that he found him (Shri Saha) working there as a Typist-cum Clerk. Shri Sahai says that Shri Saha is still there in that capacity, but the letter of Shri Siddique, Ext. 11/a, tells a different story. In view of this documentary evidence I am unable to rely on Shri Sahai.

The workman has admitted that he all along drew the wages of a Typist. But this does not create an estoppel against him. Then the Company all along utilised his services as a Stenographer, it would not be proper for the Company to deny him the scales and grades of that post. The recommendations by the different officers were made not out of sympathy but because of his working as a Stenographer all-through. Had he not been working as a Stenographer the question of confirmation as a Stenographer as recommended by the letter, dated 18th May 1977, Ext. 3/b, would not have arisen.

The contention of the Company is that the post of the Stenographer is a higher post. The Company issue five notices for the post of Stenographers from time to time as the vacancy arises and the Typist is promoted to the post of a Stenographer if he qualifies himself in the test provided for the purpose. It has been submitted that Shri Saha did not sit for such test. The question of sitting for test subsequent to his appointment does not arise. Shri Saha was initially appointed as a Stenographer as is evident from Shri Veskatachary's letttr, dated 11th July 1977 (Ext. 14/a) The notices filed in this case are all subsequent to the date of Shri Saha's appointment. It is to be remembered here that Shri Saha was appointed at the very inception of the paper in this city, and there is no paper to show that this practice was prevalent at that time. This letter, Ext. 14/a, further shows that some assurance were held out to him on behalf of the Company. Therefore, it was not unlikely that the workman would wait for sometime as his case was also taken up by the News-editors successively. O.P.W. 2. Shri Arora also does not say that Shri Saha worked as a Typist. In view of the above, I have come to the conclusion that Shri Saha was recruited as a Stenographer and his service as a Stenographer was utilised by the Company. Therefore, the management is not justified in not allowing the grades and scales of pay of Stenographer to Shri Saha.

Next the question comes from which date he is entitled to the grades and scales of pay of Stenographer. The Union has prayed for this relief from the date of his appointment from 6th July 1976. It is admitted by the workman that he was on daily-wages from 6th July 1976 to 31st August 1976. For the first time on 1st September 1976 he was put on a scale of monthly pay (vide Ext. 5). Therefore, I am of opinion that Shri Saha is entitled to the grades and scales of pay of a Stenographer with effect from 1st September 1976.

I therefore hold that the management is not justified in not allowing the grades and scales of pay of a Stenographer to Shri Saha. Shri Paritosh Saha is entitled to the grades and the scales of pay of Stenographer with effect from 1st September 1976.

This is my award.

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present.

Shri L. K. PAL, Judge,
Fourth Industrial Tribunal.

The Governor of West Bengal, Labour Department, by order No. 3042-I.R./IR/10L-103/77, dated the 28th July 1977, referred an industrial dispute between Messrs. Muller and Phipps (India) Ltd., 1 Acharya Jagadish Chandra Bose Road, Calcutta-20, and their workmen represented by Muller & Phipps Employees' Association, 7/1 Chakravaria Road (South), Calcutta-25, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

Whether the subordinate staff of the Company employed at Calcutta Office are entitled to draw dearness allowance at the rate admissible to their counter-parts at Bombay Office ? What relief, if any, are the workmen entitled to ?

On receipt of the reference notices were issued on the parties fixing 5th September 1977 for appearance and for further direction. The written statement was filed by the Union on 31st December 1977. On 23rd March 1978 the Company filed its written statement. 17th May 1978 was fixed for hearing on the preliminary points.

On 27th October 1978 the prayer of the Company for hearing on preliminary points along with the merits of the case was accepted and the case was fixed for hearing on 14th July 1978.

The hearing began on 14th July 1978. Then there were several adjournments, sometimes on the prayer of the Company and sometimes on the prayer of the Union. On 25th May 1979 the Company's prayer for amendment of its written statement was allowed. The additional written statement by the Union was filed on 1st August 1979. The evidence on the side of the Union was closed on 5th December 1979. On 9th February 1980 the evidence of the parties was closed as the Company gave out that it would not adduce any oral evidence. The argument in this case was ultimately heard on 20th May 1980.

The Union's case, in short, is that the Muller and Phipps (India) Ltd., (hereinafter referred to as the Company), is a prosperous concern and has branches in different parts of India. It was agreed that the staff and the sub-staff of the Calcutta Office would get Dearness Allowance on the Living Index provided by the Bombay Chamber of Commerce and as agreed upon with the Union. The Union alleges that it was all along the practice to pay dearness allowance to the staff and the sub-staff in the Calcutta Office at par with the Bombay Office. Prior to 1970 the sub-staff employed in Bombay and Calcutta were getting uniform dearness allowance on the basis of 26 days in a month. In 1970 an agreement was reached with the Union in Bombay. Under this agreement the dearness allowance was enhanced to 30 days payable to both the staff and the subordinate staff. The Company maintains a uniform policy regarding payment of salaries and dearness allowance. But the dearness allowance on the basis of 30 days as agreed upon with the Union at Bombay was not extended to the sub-staff in Calcutta from 1970 though the clerical staff in Calcutta were getting the dearness allowance on that basis.

It is alleged that the Company suppressed the information. The Union came to know of this agreement in April, 1976 when a dispute was raised. As the Company did not agree to meet the demand of the sub-staff, conciliation started. The conciliation also failed. The Company appreciated the reasonableness of the demand of the workmen and agreed to pay the dearness allowance on the basis of 30 days with effect from January 1977. The Union contends that the sub-staff are entitled to the dearness allowance at this rate from 1970 like their counter-part at Bombay Office.

The Company in its written statement, inter alia, contends that this issue under this Order of Refeerence and other issues were fully and finally settled with the workmen by a settlement, dated 10th October 1977, and the matter cannot be agitated again. It has been submitted that as a matter of practice the Company paid dearness allowance to its staff at Calcutta as well as in other offices of Eastern Region as per Bombay Chamber of Commerce's rates and the sub-staff are also paid as per Bombay Chamber of Commerce's rate on 26 days' basis. The Company wanted to discontinue the practice of paying dearness allowance on the basis of Bombay Chamber of Commerce's rate to the staff in Calcutta, but it could not be done due to undue pressure from the employees and the Union. The dearness allowance on the basis of 30 days was allowed only to the staff in the Central Office and Bombay Office. The workers in the factories at Bombay were left out. There were separate schemes for payment of dearness allowance at the different branches. It is denied that the Company suppressed any information to the Union. In view of the agreement arrived at on 10th October 1977 it is implied that the demand of dearness allowance on the basis of 30 days prior to 1st January 1977 was waived and the Union is estopped from making any claim prior to 1st January 1977.

It is alleged that at the time of signing this agreement the Company wanted to incorporate that the parties would submit a joint petition in this Trbunal for passing a no dispute award. The Union's representative agreed to file a joint petition but asked the Company not to incorporate it in the agreement as it was unnecessary. Subsequently, however, the Union proceeded with the reference by filing a written statement. The Union realised the unreasonablness of the claim and as such agreed to accept the dearness allowance at the new rate from January 1977. The Company therefore submits that the Union's claim should be rejected and a no dispute award should be passed.

In the petition of amendment the Company instead of a no dispute award has prayed for an award in terms of the settlement, dated 10th October 1977. In the additional written statement filed on 1st August 1979, the Union claimed the dearness allowance at the new rate from 1st January 1973 instead of from 1970 as their counter-parts in the Bombay Office were getting it from 1st January 1973. The Union has therefore claimed dearness allowance at the new rate from 1st January 1973 to 31st December 1976 which is in dispute.

It is undisputed before me that the sub-staff at Calcutta Office were getting the dearness allowance at the rate enjoyed by the staff of the Bombay Office of the Company prior to 1st January 1973. The dearness allowance was on the basis of 26 days in a month. Subsequently, there was an agreement at Bombay only by which the employees of the Bombay Office were entitled to dearness allowance on the basis of 30 days in a month on and from 1st January 1973. This benefit was not extended to the employees of the Company in the Calcutta Office. The contension of the Union is that the staff of the Calcutta Office are entitled to D.A. at the rate enjoyed by the employees of the Company in Bombay Office. It is undisputed that by a subsequent agreement this new rate on the basis of 30 days has been made available to the employees of Calcutta Office with effect from 1st January

1977. The Union contends that the employees of Calcutta Office are entitled to dearness allowance at this rate from 1st January 1973 to 31st December 1976 as was enjoyed by the staff of the Company in Bombay Office. It has only been contended before me on behalf of the Company that this dispute was settled by the agreement, dated 10th October 1977 and this reference case should be disposed of in terms of the agreement. In support of this contention the Company has relied on the decision reported in 1958, II, LLJ. 634. At page 640 of this case it has been observed "But it would be very unreasonable to assume that the Industrial Tribunal would insist upon dealing with the dispute on the merits even after it is informed that the dispute has been amicably settled between the parties".

In order to make this principle applicable to this case it must be seen whether the dispute raised in this case was disposed of by the agreement, dated 10th October 1977, Ext. B. It appears from this agreement that it was brought into the existence in ratification of the settlement arrived at on 1st October 1977 at Bombay, Ext. A. Now, both these agreements reveal that the settlement was arrived at on the Charter of Demands placed by the Federation by its letter, dated 11th March 1977. Therefore, it is clear that the settlement was not made in respect of the dispute raised by this Union. In May, 1976, this Union raised a dispute in respect of the dearness allowance (vide Ext. 1). There is no mention in Ext. B that this demand made by Ext. 1 was also settled by this agreement.

Again, the reference was received in this Tribunal on 5th August 1977. By 6th September 1977 the notices were duly served on the parties. If there was any intention to dispose of this demand made by this Association in 1976, any of the two agreements, Exts. A and B, which came into existence subsequently, should have a reference to this case. In Ext. A there is mention of an industrial dispute pending in the Industrial Tribunal at Delhi. So, if there was any intention to deal with this reference before me, there would have been mention of it in this agreement. Further-more, if there was any intention to dispose of this issue by the agreement, Ext. B, the parties would have applied to this Tribunal for an award on the basis of it. There is a case in the written statement of the Company that the parties agreed to file a joint petition to this Tribunal for a no dispute award but the Union subsequently backed out and entered appearance in this case to proceed. This allegation remains unsubstantiate The Company has neither produced any document nor adduced any oral evidence to substantiate this case. Mere suggestion does not prove anything. Therefore, the Company has hopelessly failed to prove that the Union settled the dispute in question by the agreement, dated 10th October 1977, Ext. B. Therefore, the principle laid down in the aforesaid Supreme Court case cannot be applied to the facts of the present case.

Next the Company relies on the following recitals in the agreement of 10th October 1977 and submits before me that the Union cannot claim any dearness allowance for the period in question. The relevant portion runs as follows :

> "It is agreed that the Union and the workmen shall not raise any demand or dispute in respect of matters covered by the Charter of Demands, dated 11th March 1977 as also any other demand involving financial commitment on the Company during the currency of the settlement".

The argument does not appear to be sound. The bar is only in respect of Charter of Demands dated 11th March 1977 of the Federation. There is not an iota of evidence that the Charter of Demands of the Federation contained the present dispute. On the other hand, it appears from Ext. 1 that the Employees Association made an independent demand in this respect in May 1976. It is not a fresh demand subsequent to the agreement. Therefore, I am of opinion that this bar cannot be used to close the door against the Employees Association in this case. In view of the above, the sole point raised by the Company fails

It is undisputed that prior to 1st January 1973 the employees in the Calcutta Office were entitled to Dearness Alliwance at the rate enjoyed by their counter-parts in the Bombay Office. By a subsequent agreement the rate was increased. This increased dearness allowance was paid to the employees in the Bombay Office and the clerical staff only in the Calcutta Office. When the subordinate staff of Calcutta Office were entitled to the same rate of dearness allowance as enjoyed by the employees of the Bombay Office prior to 1st January 1973, there is no reason to deprive the subordinate staff of the enhanced dearness allowance which was made available to the employees in the Bombay Office and the clerical staff in the Calcutta Office from 1st January 1973. Previously the clerical staff in Calcutta Office used to draw dearness allowance at the same rate enjoyed by the sub-staff. Therefore, when this rate was enhanced with effect from 1st January 1973 in respect of the clerical staff in the Calcutta Office, in pursuance of the agreement reached in respect of the staff of Bombay Office, I am of opinion that the subordinate staff in Calcutta Office are entitled to the dearness allowance at the enhanced rate with effect from 1st January 1973. The appointment letters, Exts. 7, 8, 10, 11 and 12 of the subordinate staff show that they were entitled to dearness allowance on the Cost of Living Index provided by the Chamber of Commerce of Bombay and as agreed upon with the Union. Therefore, when the dearness allowance was fixed for a section of employees at Bombay on the basis of Cost of Living Index for 30 days in a month, I hold that the subordinate staff of the Calcutta Unit are entitled to the dearness allowance at the rate claimed by the Union in this case. The Union's case is not

unreasonable as will be evident from the fact that the Company allowed this rate to the subordinate staff of the Calcutta Union with effect from 1st January 1977 (vide Ext. B). The company has not advanced any argument on this point. I, therefore, conclude that the subordinate staff of the Company employed at the Calcutta Office are entitled to draw dearness allowance from 1st January 1973 to 31st December 1976 at the rate admissible to their counter-parts at Bombay Office.

AWARD

The Government of West Bengal, Labour Department, by its order No. 3532-IR/IR/13L-6/78, dated 20th August 1979, referred an industrial dispute between Messrs. Nalanda Press and their workman Shri Narayan Chandra Ghosh, C/o Shri Panchanan Ghosh, Kolapara, P.O. Talpukur, district 24-Parganas, to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

Whether the termination of service of Shri Narayan Chandra Ghosh is justified ? What relief, if any, is he entitled to ?

Usual notices were served upon both the parties after the reference was received. The Company did not turn up and the case had to be taken up for ex parte

hearing. The workman concerned got himself examined. His case is that he was dismissed from service illegally with effect from 29th May 1975. His further case is that prior to dismissal, no charge-sheet was submitted against him. He demanded reinstatement from the Company, but nothing happened. Subsequently, he raised a dispute with the Labour Commissioner. The Company did not turn up in the conciliation proceeding. The workman prays for an order of reinstatement and back wages.

Ext. 1 is the letter of dismissal. The letter of dismissal itself shows that no enquiry was held against the charges levelled against the workman. The particular document contains certain allegations against the workman concerned. He was not given opportunity to submit an explanation to the allegations made in the particular letter. His services were straightway dismissed. Ext. 2 is the reply given by the workman concerned to the Company. He wanted the management not to dismiss him from service and prayed for permission to join his duties. Nothing happened thereafter. He made another request to the management asking for permission to join his duties, vide Ext. 4. Ext. 5 is the copy of another letter sent by the workman concerned to the management asking for reinstatement. Ext. 6 is the letter addressed to the Labour Commissioner raising the dispute. It appears that the workman was illegally dismissed from service. The Company did not come forward to Court to controvert the points raised by the workman concerned. The workman is entitled to get an order of reinstatement and full back wages for his illegal dismissal from service. Accordingly, the Company be directed to reinstate the delinquent workman forthwith and pay him full back wages grom the date of dismissal till the date of reinstatement.

This is the award of the Court.

Judge.

Bill No. 40 of 1980

THE CITY SESSIONS COURT (AMENDMENT) BILL, 1980.

A

BILL

to amend the City Sessions Court Act, 1953.

WHEREAS it is expedient to amend the City Sessions Court Act, 1953, for the purposes and in the manner hereinafter appearing; West Ben. Act XX of 1953.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the City Sessions Court (Amendment) Act, 1980.

Omission of section 17 of West Ben. Act XX of 1953. **2.** Section 17 of the City Sessions Court Act, 1953 (hereinafter referred to as the principal Act) shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

The Second Schedule to the City Sessions Court Act, 1953 (West Bengal Act XX of 1953) contains some amendments to the Code of Criminal Procedure, 1898 (5 of 1898), in its application to West Bengal. The said Code has been replaced by the Code of Criminal Procedure, 1973 (2 of 1974), which came into force on the 1st April, 1974. So the amendments to the Code of 1898, as shown in the aforesaid Schedule, have now become obsolete and infructuous.

In the above context, it is necessary to delete the said Second Schedule as well as section 17 of the City Sessions Court Act, 1953 which provided for that Schedule.

The Bill seeks to enact the necessary amendments for the purpose.

CALCUTTA,
The 10th July, 1980.

THE WEST BENGAL GOVERNMENT PREMISES (TENANCY REGULATION) (SECOND AMENDMENT) BILL, 1980.

A BILL

to amend the West Bengal Government Premises (Tenancy Regulation) Act, 1976.

WHEREAS it is expedient to amend the West Bengal Government Premises (Tenancy Regulation) Act, 1976, for the purposes and in the manner hereinafter appearing; West Ben. Act XIX of 1976.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows—

Short title and commencement.

1. (*1*) This Act may be called the West Bengal Government Premises (Tenancy Regulation) (Second Amendment) Act, 1980.

(*2*) It shall be deemed to have come into force on the 1st day of April, 1976.

Amendment of section 3 of West Ben. Act XIX of 1976.

2. In sub-section (*2*) of section 3 of the West Bengal Government Premises (Tenancy Regulation) Act, 1976 (hereinafter referred to as the principal Act), for clause (*ia*), the following clause shall be substituted :—

'(*ia*) subsequently built or acquired a house or acquired an apartment, either in his own name or in the name of any member of his family, within a reasonable distance from such Government premises.

The West Bengal Government Premises (Tenancy Regulation) (Second Amendment) Bill, 1980.

(Clauses 3, 4.)

Explanation.—For the purposes of this section and section 3A,—

(*a*) "apartment" shall have the same meaning as in the West Bengal Apartment Ownership Act, 1972; West Ben. Act XVI of 1972.

(*b*) "family" shall include parents and other relations of the tenant who ordinarily reside with him and are dependant on him;

3. After section 3 of the principal Act, the following section shall be inserted :—

4. In sub-section (*1*) of section 4 of the principal Act, after the words and figure "under any of the provisions of section 3", the words, figure and letter "or upon a tenancy being void under section 3A" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Government Premises (Tenancy Regulation) Act, 1976 (West Ben. Act XIX of 1976), as it stands, empowers the State Government to take action against those tenants who have subsequently built houses of their own but are retaining Government premises after letting out their own houses with a view to making monetary profit, but the State Government is not empowered to take any action against any tenant who, on the date of allotment of Government premises, is, or had been, the owner of a house or an apartment, either in his own name or in the name of any member of his family, or who subsequent to the allotment of Government premises built or acquired a house or an apartment in the name of any member of his family.

2. Difficulties are being experienced in evicting a tenant from a Government premises who subsequently built a house of his own as such a tenant is taking this plea that as the provision in this respect made in the principal Act of 1976 by the West Bengal Government Premises (Tenancy Regulation) (Amendment) Act, 1980 was not given retrospective effect, the same is not applicable to him.

3. In order to remove the difficulties mentioned above it is proposed to amend the Act suitably.

4. The objects of the West Bengal Government Premises (Tenancy Regulation) (Second Amendment) Bill, 1980 are:—

(*1*) to empower the State Government to take action against any tenant who subsequently builds or acquires a house or acquires an apartment or who, on the date of allotment of Government premises, is, or had been, the owner of a house or an apartment, either in his own name or in the name of any member of his family, within a reasonable distance from Government premises,

(2) to define the expressions "apartment", "family" and "reasonable distance", and

(3) to give retrospective operation to the provisions proposed in the aforesaid Bill to remove any misconception.

5. The Bill, if enacted, is expected to effectively check and control the profit making tendency of tenants of Government premises.

"Whether termination of services of Shri Deba Nand Sahu without proper notice is justified ? To what relief, if any, is he entitled ?"

After receipt of the Order of Reference, notices were issue to the parties fixing 24th January 1980 for appearance, when the petitioner-workman appeared, but the opposite party-company was absent. The petitioner-workman was directed by my order No. 2, dated 24th January 1980, to file his written statement along with a list of documents on 18th February 1980, when

the petitioner-workman filed his written statement accordingly. By my order No. 3, dated the 18th February 1980, the opposite party-company was directed to file its written statement along with a list of documents on 4th March 1980, but the opposite party-company was absent on that date. By my order No. 4, dated the 4th March 1980, the opposite party-company was directed to file its written statement along with a list of documents on 22th March 1980, when also the opposite party-company was directed to file its written statement along with a list of documents on 22nd March 1980, when also the opposite party-company did not take any step and the date was further extended to 7th April 1980 for filing written statement along with a list of documents by my order No. 5, dated 22nd March 1980 The petitioner-workman was all along present and no steps were taken by the opposite party-company even on that date and by my order No. 6, dated 7th April 1980, the case was fixed for ex-parte hearing on 28th April 1980, but on the petitioner-workman's prayer, the case was adjourned to 24th May 1980 for ex-parte hearing by my order No. 7, dated 28th April 1980. As I was on tour that date, by my order No. 8, dated the 24th May 1980/27th May 1980, the case was fixed for ex-parte hearing on 30th May 1980, but was again adjourned to 31st May 1980 on the prayer of the petitioner-workman. The opposite party-company is absent on this date and so, the case is taken up ex-parte.

The petitioner-workman's case is that he was serving under the opposite party-company for 13 months at a salary of Rs. 300 per month, but on 3rd March 1978 he was called and told that his services would not be required any more without any reason whatsoever. No reason letter was assigned, no letter was issued and no charge-sheet was given. He was not given any scope for self-defence and thus natural justice was denied to him. He went to the opposite party-company several times and requested for allowing him to join to his duties, but to no effect. He at last wrote to the opposite-party company by his letter, dated the 17th April 1978 for reinstatement without any loss of pay, but the opposite party-company did not reply thereto. Then, he wrote to the Labour Commissioner by his letter dated the 30th July 1978, for intervening in the matter. The conciliatory authority called for joint conferences, but the opposite party-company did not attend the conciliation sittings, resulting in the present Order of Reference.

The petitioner-workman has examined himself as a lone witness as P.W. 1. He has stated that he was serving under the opposite party-company for 13 months at a salary of Rs. 300 per month On 3rd March 1978, when he reported to his duties, he was told that his services would not be required any more. No reason was assigned, no letter was issued and no charge-sheet was given to him. There was no domestic enquiry. His salary for the month of February 1978 was also not paid. He was not guilty of any misconduct whatsoever. He went to the opposite party-company for 10/12 times thereafter and requested for allowing him to join to his duties, but to no effect. He has proved his letter to the opposite party-company claiming reinstatement and no loss of pay, a copy of which has been marked as Ext. 1 and the relevant registration receipt has been marked as Ext. 2. The opposite party-company did not take any step. Then he referred the matter to the Labour Commissioner and has proved a copy of his letter, dated the 30th July 1978, for intervention in the matter, which has been marked as Ext. 3. This letter bears an endorsement showing receipt of the letter in the Labour Commissioner's Office, which has been marked as Ext. 3(a). He has also stated that the conciliatory authority called for conciliatian sittings, but to no effect. The opposite-party-company did not attend the conciliation sittings. He seeks reinstatement and back wages.

It is palpable from the oral evidence of P.W. 1 that the petitioner-workman was serving under the opposite party-company for 13 months at a salary of Rs. 300 per month and his services was terminated on 3rd March 1978 without any notice, without assigning any reason, without issuing any charge-sheet, without holding any domestic enquiry, etc. and thus, the termination of service of the petitioner-workman was not justified. He has proved that he made representations to the opposite party-company on a number of occasions claiming reinstatement without any effect and also of his demand of justice in writing for reinstatement and back wages by his letter, dated 17th April 1978, a copy of which has been marked as Ext. 1. Thereafter, he referred the matter to the Labour Commissioner by his subsequent letter, dated 30th July 1978, for his intervention as such, a copy of which has been marked as Ext. 3 and this copy bears the endorsement of receipt of the original letter in the office of the Labour Commissioner Ext. 3(a). The conciliatory authority called for conciliation sittings, in which the opposite party-company did not appear. In view of the oral and documentary evidence stated above, the petitioner-workman has established that the termination of his service without proper notice is not justified and the first part of issue No. 1 is so answered in the negative. He is, therefore, entitled to reinstatement and back wages, as if, his service was never terminated and the second part of issue No. 1 is so disposed off. The O.P.-company shall cause reinstatement of the petitioner-workman within one month from the date of the publication of this award and also pay him back wages from the date his service was terminated on 3rd March 1978 till the date of his reinstatement as such at a rate of Rs. 300 per month.

This is my award.

NOTIFICATION

No. 3862/S.—23rd July 1980.—The Governor is pleased to award the "Dr. Harendra Coomar Mookerjee Silver Medal" for the year 1979 to the undermentioned person for outstanding act of courage and self-sacrifice :

1 Shrimati Jasodabala Tarafdar, wife of Late Kunjalal Tarafdar, village Bakerdanga, Post-office Jamaldaha, district Cooch Behar.

Statement of the act performed for which the decoration has been awarded

On August 29, 1979 when some boys were taking bath in the river Sutunga, a boy named Babun Bose, aged about 11 years, son of Shri Pravat Chandra Bose, village Jamaldaha, district Cooch Behar, suddenly fell into the deep water and was drifted away by strong current. On seeing this, the people present there raised alarm to save the boy but none dared rescue the boy as the river was in full spate at that time. Suddenly an old lady, Shrimati Jasodabala Tarafdar, aged 65 years, without losing a moment, jumped into the water and she was also being drifted by strong current. After considerable struggle, she however, rescued the unconscious boy, who later was revived to life after proper therapy, first-aid, etc.

In saving the life of a minor boy from certain death at great personal risk and danger, Shrimati Jasodabala Tarafdar displayed outstanding courage and resolve, a deep sense of duty, presence of mind which are worthy of recognition.

5. Nothing in this Act shall affect any suit, appeal or proceeding pending in the High Court on the date on which this Act comes into force and every such suit, appeal or proceeding shall be continued as if this Act had not been passed.

STATEMENT OF OBJECTS AND REASONS.

Under the relevant provisions of the City Civil Court Act, 1953 (West Ben. Act XXI of 1953), the City Civil Court, Calcutta, is competent to try suits valued upto Rs. 50,000. The price index has since registered a sharp rise resulting in further erosion in the real value of money. So in the interest of the public, it is necessary to raise the pecuniary jurisdiction of the City Civil Court, Calcutta. Government considers that such jurisdiction should be raised from Rs. 50,000 to Rs. 1,00,000. Further, it is felt that the City Civil Court shall, and the High Court shall not, have juridiction to try any proceeding under the (i) the Guardians and Wards Act, 1890, (ii) the Presidency-towns Insolvency Act, 1909, (iii) the Indian Lunacy Act, 1912 and (iv) the Indian Succession Act, 1925. The High Court's orginal jurisdiction in Admiralty and Company matters is not affected by the present proposal.

The judges of the City Civil Court are all members of the West Bengal Higher Judicial Service. It is, therefore, quite in keeping with their status and ability that they should be given more powers. Besides, the High Court is over-burdened with cases. If the City Civil Court is vested with enhanced pecuniary jurisdiction and also special jurisdiction under the aforesaid Acts, the High Court will be relieved of its burden to some extent and this will lead to quicker disposal of suits and cases.

The Bill seeks to enact the aforesaid proposals by suitable amendments of the City Civil Court Act, 1953.

NOTIFICATION

No. 2059-L.—31st July, 1980. — The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 44 of 1980

THE WEST BENGAL *PANCHAYAT* (AMENDMENT) BILL, 1980.

A BILL

to amend the West Bengal Panchayat *Act, 1973.*

WHEREAS it is expedient to amend the West Bengal *Panchayat* Act, 1973, for the purposes and in the manner hereinafter appearing; **West Ben. Act XLI of 1973.**

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title

1. This Act may be called the West Bengal *Panchayat* (Amendment) Act, 1980.

Amendment of section 166 of West Ben. Act XLI of 1973.

2. In section 166 of the West Bengal *Panchayat* Act, 1973 (hereinafter referred to as the principal Act), after sub-section (*1*), the following sub-sections shall be inserted:—

"(*1A*) The State Government may appoint an Additional Executive Officer for a *Zilla Parishad* on such terms and conditions as may be prescribed :

Provided that any person so appointed shall be recalled by the State Government if a resolution to that effect is passed by the *Zilla Parishad*, at a meeting specially convened for the purpose, by a majority of the total number of members holding office for the time being.

(*1B*) The Additional Executive Officer shall, subject to the provisions of this Act, exercise such powers, perform such functions, and discharge such duties, of the Executive Officer as the State Government may, from time to time, direct.".

Amendment of section 179.

3. In sub-section (*2*) of section 179 of the principal Act, in clause (*i*), after the words "and to the Executive Officer", the words "and the Additional Executive Officer" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

The District Magistrate/Deputy Commissioner has been appointed as Executive Officer of the concerned *Zilla Parishad* in addition to his own duties. As a result of overwhelming pressure of work devolved upon the *Zilla Parishads*, it has been increasingly difficult on the part of the District Magistrate/Deputy Commissioner to devote adequate time required for proper discharge of his functions as Executive Officer of the *Zilla Parishad* in addition to his own duties. So it is felt necessary to appoint a full-time Additional Executive Officer for each *Zilla Parishad*.

The amendments proposed in the Bill provide for appointment of a full-time Additional Executive Officer for each *Zilla Parishad*.

4 Whether refusal of employment to Shri Arun Sarkar is justified? To what relief, if any, is he entitled?

On receipt of the Order of Reference here the usual notices from the Tribunal have been issued to and served on the parties who in pursuance thereof have entered appearances and have filed their respective written statements.

The case of R.B.S. Rubber Mills Sramik Union as made-out in its written statement is in brief that the Union demanded bonus for the years 1969-70 and 1970-71 under the payment of Bonus Act, 1965 at the rate of average pay of ninety days for each of the above two years but the Company did not pay such bonus for any of the above two years to its workmen. Instead, the Company out of rage victimised a number of workmen in 1972 following its unfair labour practice so much so that all on a sudden the Company declared a closure of the mill with effect from 19th March 1973 stopping operation in the mill illegally. It was in fact a lock-out. Such pretended closure of the mill is illegal and mala-fide. The Union refrains from making any statement in regard to each of the above issues Nos. 3 and 4. The Union prays for directing the Company to give up the pretended closure and allow its workmen to resume their duties by reinstating them in the services of the Company and pay them their wages and also for directing the Company to pay bonus to each of its workmen for each of the above accounting years at the rate of average pay of ninety days.

The case of R.B.S. Rubber Mills (P) Ltd. Mazdoor Union made out in its written statement is in brief that the Union and the workmen raised dispute with the Company for payment of bonus for 1969-70 and 1970-71 at the rate of 20 per cent. of the total annual earnings and in addition the wages of one month. The Company having failed and neglected to make the payment of bonus at the said rate for each of the above two years declared bonus for 1969-70 at the rate of 4 per cent. of the total earnings but declared no bonus for 1970-71 at all. The workmen did not accept the bonus at the rate of 4 per cent. of the total earnings for 1969-70 as the Company had the capacity to pay bonus for the above years at the rate claimed by the workmen. The Union referred the matter to the learned Labour Commissioner, Government of West Bengal for intervention in consequence whereof the learned Conciliation Officer held joint conferences over the matters relating to the payment of bonus for the above two years. The Company did not, however, attend such conciliation proceedings. The Company arbitrarily and illegally refused employment to Shri Arun Sarkar, an active and leading member of the Union without any notice and without showing any reason in respect thereof with effect from 2nd October 1972 after raising of the dispute with regard to bonus for 1970-71 with the Company. The Company in spite of being approached for the reinstatement of the above Shri Arun Sarkar with back wages failed and neglected to do so. The refusal of employment on the part of the Company to the above Shri Arun Sarkar is unjustified, motivated and mala fide. Shri Sarkar has been victimised without service of any charge-sheet on him and without any domestic enquiry being held against him. The Company in order to dismiss and victimize them for their Trade Union activities issued the charge-sheets containing false allegations to the workmen named in the above issue No. 3 except Shri Gourdas Goswami. The domestic enquiry held against them by the learned Enquiry Officer who was biased in violation of the principles of natural justice is not fair and proper. The workmen concerned were not given proper opportunities to defend themselves. On the basis of the report of enquiry with the findings of guilt made there by the learned Enquiry Officer the Company dismissed such workmen from the services in the Company with effect from 19th December 1972. The dismissal of each of such workmen is unjust and mala fide and is the result of victimisation and unfair labour practice on the part of the Company. To coerce the workmen the Company declared a pretended closure with effect from 19th March 1973. The pretended closure of the factory is in substance a lock-out and is not a closure in fact. The Union prays for holding that the closure is not real and for reinstatement of the workmen with full back wages and also

for holding that the workmen are entitled to bonus for each of the above accounting years at the rate of 20 per cent. of the total earnings of each of such years and the wages for one month in addition. The Union also prays for the reinstatement of the above dismissed workmen with back wages and for the reinstatement of the above Shri Arun Sarkar with back wages.

The case of R.B.S. Rubber Mills Labour Union made out in its written statement is in line with that of R.B.S. Rubber Mills (P) Ltd. Mazdoor Union in so far as issues Nos. 1 and 2 are concerned. As regards the above issue No. 3 the case of such Labour Union is that the dismissal of Shri Gourdas Goswami is mala fide and motivated and is the result of victimisation and unfair labour practice. The learned Enquiry Officer holding the enquiry against Shri Gourdas Goswami in respect of charge-sheet issued to Shri Goswami was biased. Such enquiry held in violation of the principles of natural justice is not fair and proper. In the enquiry the above Shri Goswami was not given opportunity to defend himself. The Union prays for holding that the closure in question is not real and for the reinstatement of the workmen with back wages and also for holding that the workmen are entitled to bonus for each of the above two accounting years at the rate of 20 per cent. of the total earnings of each of such years and the wages of one month in addition. The Union also prays for the reinstatement of the above Shri Gourdas Goswami with back wages.

The case of the Company in its written statement is in brief that the closure being real there can be no industrial dispute. The closure had to be effected under the circumstances beyond control of the Company. The issue No. 2 is defective as the minimum bonus according to payment of Bonus Act has already been offered by the Company. As regards the issue No. 3 the domestic enquiry held against the workmen concerned is just and fair and the action of the Company in dismissing each of such workmen is justified. There was no occasion for the Company to refuse employment to Shri Arun Sarkar He was taken in for a particular work and on completion of the said particular job his work came to an end. The Company denies also the material averments of the Unions in their respective written statements and alleges inter alia that an award may be passed directing that the workmen are entitled to no relief.

Both the parties have adduced evidence oral and documentary.

Issue No. 1 : In connection with the hearing of the preliminary objection on jurisdictional question raised on behalf of the Company the issue regarding closure has been heard on contest and on a contested hearing by order No. 72, dated 29th May 1978 the closure in question has been found to be real and the remaining portion of issue No. 1 has been heard along with the merits of the reference.

Exhibits A and A(1) comprise the notices under section 25FFA of the Industrial Disputes Act, 1947, issued by the Company to the Government. In the notice (Ext. A) the reasons for the intended closure show to have included indiscipline in slowing down of production, financial losses suffered by the Company, accumulation of loans, etc. The above notice (Ext. A) shows to be dated 4th January 1971. Exhibit C is the notice, dated 12th March 1973 issued by the Company whereunder the Company decided to close down the activities of its factory in question on and from 19th March 1973. It is thus more than clear that since after the issue of the above notice (Ext. A) under section 25FFA of the above Act the Company tried its best to run the activities of the factory. And during the period intervening the above two notices (Exts. A and C) a number of notices (Exts. E, F, G, H and I) show to have been issued by the Company requesting the workmen to improve production and refrain from staying in strike and indiscipline and indulging in violent and coercive activities.

It appears that the workmen have a right to agitate for their legitimate demands, if any, against the employer or for that matter the present Company. But it is also clear that they in doing so would not have indulged in indiscipline and violent activities. Unfortunately, it is patent on the record that the workmen in the name of agitating against the Company for their legitimate demands for bonus indulged in violent activities including Gherao and intimidation.

In the context of what is stated above and in the facts and circumstances of the case and on the materials and evidence on record the Tribunal has no reason to fail to believe that the Company was compelled to close down the activities of the factory owing to the indiscipline and violent activities on the part of the workmen. The alleged financial difficulties of the Company in the opinion of the Tribunal, stand next thereto.

That being the position, the proviso to section 25FFF(1) of the Industrial Disputes Act, 1947, and not the first part of section 25FFF(1) of such Act comes into play. There is no dispute that no closure compensation has been paid by the Company to its workmen.

The Tribunal thus believes and holds that the Company closed down the activities of its factory in question on account of unavoidable circumstances beyond its control.

The result is that the Company is to pay compensaton to its workmen in so far as they are eligible in terms of the proviso to section 25FFF(1) of the Industrial Disputes Act, 1947. The issue No. 1 is thus disposed of.

Issue No. 2 No computation of the bonus in question prepared by the parties are forthcoming. The audited balance sheets and profit and loss accounts in question [Ext. J and Ext. J(1)] of the Company do not disclose any financial affluence of the Company for the years in question to give bonus to its employees at a rate more than 4 per cent. of the annual earnings.

On the materials and evidence on record the Tribunal is satisfied and believe and holds that the rate of bonus for each of the accounting years 1969-70 and 1970-71 payable by the Company to its employees is to the tune of 4 per cent. of its earnings of each of the said years. This disposes of issue No. 2.

Issue No. 3: At the instance of the parties on the Company having prayed for adducing no further evidence in regard to issue No. 3 except examining the learned Enquiry Officer and the witnesses to prove the documents produced in the enquiry, the reference has been heard on merits.

There has been held a joint enquiry against the twelve workmen named in the issue No. 3 by Shri Shakir Ali (O.P.W. 3) appointed by the Company as the learned Enquiry Officer to hold such enquiry.

Exhibits N series are the copies of the charge-sheets issued by the Company and received by the workmen in question. Exhibits O series are the respective explanations of the workmen in writing to the above respective charge-sheets. Exhibits P series are the copies of the enquiry notices. Exhibits Q series are the copies of the letters of dismissal. Ext. L is the enquiry proceedings and Ext. M is the report of the learned Enquiry Officer with his findings.

It appears that of the heads of the charge noted in the charge-sheets (Exts. N series) six heads of the charge show to be common to all the workmen in question while the other head of the charge is common to eight out of the twelve workmen in question

The claim of the workmen in question to be represented in the enquiry by Shri Ganesh Das Gupta (namely P.W. 3 here) the Secretary of R.B.S. Rubber Mills (P) Ltd. Mazdoor Union has, in the opinion of the Tribunal, been rightly disallowed by the learned Enquiry Officer since the above Shri Das Gupta at all material time was admittedly not employed in the Company but was indisputably an outsider.

On the evidence on record the Tribunal fails to believe that in the enquiry the learned Enquiry Officer did not allow any opportunity to each of the workmen in question to cross-examine each of the witnesses on behalf of the Company examined in the enquiry and to defend each of such workmen and in the opinion of the Tribunal it is too big a pill to swallow that the learned Enquiry Officer has ever denied any such opportunity to any of the workmen in the enquiry.

The evidence on record and the enquiry proceedings and the report of the learned Enquiry Officer (Ext. L and Ext. M) fall short of proving any bias of the learned Enquiry Officer in favour of the Company and against any of the workmen in question and also fall short of proving that the learned Enquiry Officer has not correctly recorded the enquiry proceedings. Instead, it is patent in the evidence on record that though asked for by the learned Enquiry Officer to sign the enquiry proceeding for each date the workmen refused to sign the same for reasons best known to them and on imaginary grounds.

On the materials and evidence on record the Tribunal has no reason to believe that in the enquiry the documents produced on behalf of the Company have not been made known to the workmen. The action of the learned Enquiry Officer having regard the mere fact that such documents comprising the copy of charge-sheet, connected letter of explanation and the notices of enquiry relating to each of the workmen in question and mentioned in Annexure 'A' to the enquiry proceedings by the learned Enquiry Officer, have not been kept with the enquiry proceedings, does not by itself prove any violation of any principles of natural justice on the part of the learned Enquiry Officer. The letters of the alleged protest against the propriety of the enquiry (Exts. 17, 20, 22, 24, 25, 30, 33, 35, 40, 42, 44, 46, 50, 58, 59, 61, 66, 68, 70, 71, 76, 78, 83, 87, 92, 98, 102, 107, 108 112 and 113) admittedly drafted and written by the above Secretary of the above Mazdoor Union (P.W. 3) on a derivative knowledge do not in the opinion of the Tribunal inspire any confidence and are not sufficient to affect the propriety of the enquiry and to vitiates such enquiry.

It appears that no certified Standing Orders of the Company are forthcoming. Such absence, in the opinion of the Tribunal, does not by itself vitiate the enquiry provided the Company satisfies that it has followed the principles of natural justice and that the misconduct as alleged has been proved.

In the context of what is stated above and in the facts and circumstances of the case and on a consideration of the materials and evidence on record the Tribunal is satisfied and believes and holds that in conducting the enquiry the learned Enquiry Officer has followed the principles of natural justice and that the enquiry in question is a fair and proper one.

On the evidence on record the Tribunal has no reason to differ from the findings arrived at by the learned Enquiry Officer in his report (Ext. M.). The result is that the misconduct alleged against each of the workmen in question has been proved.

It is for the Tribunal too difficult to conceive that the proven misconduct as above warrants a punishment less than the punishment of dismissal from the services in the Company. The Tribunal has no reason to conclude that the action of dismissals taken by the Company in its orders contained in its above letters (Exts. Q series) is illegal, harsh, mala fide and unjustified.

The Tribunal thus believes and holds that the dismissal of each of the above workmen named

in the issue No. 3 is justified with the result that none of them is entitled to any relief on that score. Issue No. 3 is thus disposed of.

Issue No. 4: Exhibit K is the appointment letter relating to the above Shri Arun Sarkar named in the issue No. 4. One of the terms in the appointment letter (Ext. K) shows to be that the services of Shri Sarkar will be liable to be terminated without any notice to him at the sole discretion of the management. It is unfortunate that in his evidence Shri Sarkar (P.W. 5) shows to have denied the receipt of such letter of appointment by him. It is in the evidence of Shri Mahabir Prosad Jawal Prosad (O.P.W. 1) that it is not a fact that the Company refused employment to the workman Shri Arun Sarkar. The evidence of O.P.W. 1 further discloses that services of Shri Sarkar were contractual and on the completion of the contract Shri Sarkar was discharged by the Company. That being so, the services of Shri Sarkar having come to an end on the completion of the contract it cannot be concluded that the Company refused employment to Shri Arun Sarkar on and from 2nd Otober 1972. Thus no question of refusal of employment to Shri Sarkar as above does arise. Shri Arun Sarkar as above, the Tribunal finds, is thus entitled to no relief on that score. Issue No. 4 is thus disposed of accordingly.

The issues are disposed of accordingly.

The Company is thus directed to pay compensation to its eligible workmen in terms of the proviso to section 25FFF(1) of the Industrial Disputes Act, 1947, within thirty days from the date of publication of this award in the "Calcutta Gazette".

This is the award of the Tribunal.

Government of West Bengal in its Labour Department, order No. 3604-I.R./IR/11L-172/78, dated the 17th August 1978, has referred an industrial dispute between Messrs. Kolay Properties Pvt. Ltd., 6B Sir Debaprosad Row (Opp. Nilratan Sircar Hospital), Calcutta-14 and their workmen represented by Nafar Babu's Bazar Employees' Union, 29/1A Chandney Chawk Street, Calcutta-72 to this Tribunal for adjudication on the following issue:

Issue

Whether termination of services of Shri Ranjit Kumar Pal is justified? What relief, if any, is he entitled to?

On receipt of the reference, notices were issued upon the parties who in turn appeared, filed their respective written statements and 31st December 1979 was fixed for hearing. The matter was thereafter adjourned on 17th March 1980 and 16th April 1980 on the prayer of the Company, and 12th May 1980 was fixed for hearing. On that date the Union was present with their representative but Company was absent.

No steps was also taken by the Company and 18th June 1980 was fixed for hearing ex-parte. As the Presiding Officer was on leave on 18th June 1980, the matter was shifted to 3rd July 1980 for ex-parte hearing. On that date also none appeared for the Company and no steps were taken even on repeated calls. Shri Biswesw ar Ganguli appeared for the Union. So the case was taken up for ex-parte hearing.

The workman Shri Ranjit Kumar Pal was appointed as a clerk in 1956 and was subsequently promoted to the post of cashier. He was detained under MISA from 19th November 1974 to 30th November 1976. Though he reported for duty on 4th December 1976 he was refused employment by the Company. W. W. 1, Ranjit Kumar Pal, has stated in evidence that no disciplinary action was taken against him during the tenure of his service. He was a social worker. The certificates. Ext. 1 series, lend support to his contention. He was also acting as Justice of Peace in the locality in Central Calcutta where he resided. Ext. 2 is the order of Commissioner of Police for detention of Shri Pal under MISA. Exts. 3 and 4 are letters by the Advocate and mother of the workman Shri Ranjit Kumar Pal to the Company requesting payment of salary during the period of his detention in jail. Ext. 5 indicates that it was directed by the Government that the mother of the workman should be paid Rs. 100 per month during the period of detention. Ext. 6 indicates that he was temporarily released. Ext. 7 series relate to reinstatement in employment who were victimised during the emergency. Ext. 8 series are correspondences of the workman with the Company for resumption of duty and payment of back wages. Ext. 9 is the reply by the Company to these letters Ext. 10 series indicate that the Union requested the Company to reinstate the workman Shri Ranjit Kumar Pal. Ext. 11 series indicate that even the Private Secretary of the Labour Minister also requested the Company to reinstate him. Ext. 12 series are memos of the Assistant Labour Commissioner convening joint conferences for settlement of the dispute. Exts 13 and 14 are the correspondence of the Union with the Company regarding reinstatement and back wages to the workman. W.W. 1, Shri Ranjit Kumar Pal, categorically stated that he went to the office of the Company on 4th December 1976 but was not allowed to join duty under various pretext. He was detained in jail for various reasons. The Company did not pay salary to his mother during the period of detention. Shri Pal was not in employment anywhere till then.

There is nothing on record to indicate that Shri Ranjit Kumar Pal was guilty of misconduct or dereliction of duty. No notice was served upon him before the termination of service of Shri Pal. He was not even charge-sheeted. No notice was served upon him before the termination of service of Shri Pal. He was not even charge-sheeted. No domestic enquiry was held against him.

Oral and documentary evidence on record clearly show that his service was terminated not in accordance with law, and that his service was terminated wrongfully and the action was unjustified. Shri Ranjit Kumar Pal is entitled to reinstatement and back wages from 4th December 1976 till the date of resumption of work in the Company.

The period of detention will be treated as special leave with pay.

The above award will come into force within a month from the date of publication in the "Calcutta Gazette".

2. In section 21F of the Bengal Municipal Act, 1932, for sub-section (*4*), the following sub-section shall be substituted:—

"(*4*)(*a*)(*i*) Any person whose name is not included in the electoral roll for a municipality may apply to the election authority for the inclusion of his name in that roll.

(*ii*) If the election authority is satisfied that the applicant is entitled to be registered in the electoral roll, the election authority shall, subject to such general or special direction, if any, as may be given by the State Government in this behalf, direct his name to be included therein.

The Bengal Municipal (Amendment) Ordinance, 1980.

(*Section 2*)

(*b*) If the election authority, on application made to it or on its own motion, is satisfied, after such enquiry as it thinks fit, that any entry in an electoral roll for a municipality is or has been erroneous or defective in any particular, the election authority shall, subject to such general or special direction, if any, as may be given by the State Government in this behalf, correct the entry.

(*c*) No direction for the inclusion of a name in the electoral roll for a municipality shall be given, and no correction of any entry shall be made, under this sub-section after the last date for making nominations for an election in that municipality and before the completion of that election.".

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 3021-L.—11th August, 1980.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 46 of 1980

THE COMMISSIONS OF INQUIRY (WEST BENGAL AMENDMENT) BILL, 1980.

A

BILL

to amend the Commissions of Inquiry Act, 1952, in its application to West Bengal.

WHEREAS it is expedient to amend the Commissions of Inquiry Act, 1952, in its application to West Bengal, for the purpose and in the manner hereinafter appearing; 60 of 1952

It is hereby enacted in the Thirty-first year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the Commissions of Inquiry (West Bengal Amendment) Act, 1980.

Application of the Act.

2. The Commissions of Inquiry Act, 1952 (hereinafter referred to as the principal Act), shall, in its application to West Bengal, be amended in the manner hereinafter provided.

Amendment of section 5 of Act 60 of 1952.

3. To sub-section (3) of section 5 of the principal Act, the following *Explanation* shall be added:—

"*Explanation.*—For the purpose of this sub-section, any police officer of or above the rank of Inspector of Police shall be deemed to be a gazetted officer.".

STATEMENT OF OBJECTS AND REASONS.

Sub-section (*3*) of section 5 of the Commissions of Inquiry Act, 1952, provides that any officer, not below the rank of a gazetted officer, specially authorised in this behalf by the Commission, may enter into any building or place where the Commission has reason to believe that any books of account or other documents relating to the subject matter of the inquiry may be found, and may seize any such books of account or documents or take extracts or copies therefrom. With the abolition of the gazetted status in this State a question has now arisen as to whether seizure of documents, taking extracts, etc., by a police officer of, and above, the rank of an Inspector of police will henceforth be in order and can be construed as sufficient compliance with sub-section (*3*) of section 5 of the Commissions of Inquiry Act, 1952. In order to obviate the difficulty as stated above it is proposed to amend the Commissions of Inquiry Act, 1952, in its application to West Bengal, to provide that any police officer of or above the rank of Inspector of Police shall be deemed to be a gazetted officer for the purpose of sub-section (*3*) of section 5 of the said Act.

The Bill has been framed with the above object in view.

JYOTI BASU,
Member-in-charge.

A BILL

to amend the Calcutta Thika *Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978.*

WHEREAS it is expedient to amend the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978, for the purpose and in the manner hereinafter appearing; West Ben. Act. XXV of 1978.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Act, 1980.

(*2*) It shall be deemed to have come into force on the 17th day of July, 1980.

Amendment of section 1 of West Ben. Act XXV of 1978.

2. In section 1 of the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978 (hereinafter referred to as the principal Act), in sub-section (*3*), for the words "two years", the words "three years" shall be substituted.

Repeal and savings.

3. (*1*) The Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) (Amndment) Ordinance, 1980, is hereby repealed. West Ben. Ord. VII of 1980.

The Calcutta Thika *Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Bill, 1980.*

(*Clause 3.*)

(*2*) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Ordinance, 1980, shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

The position of *thika* tenants and *bharatias* under them is vulnerable. It has, therefore, been considered expedient to enact a comprehensive legislation for protecting their interest. Pending the enactment of such legislation the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978, was enacted to provide for stay of all proceedings for ejectment (including execution of decrees) of all *thika* tenants and *bharatias* under them for a period of one year from the date of commencement of the said Act. The life of the Act was extended for one year to continue the provisions of that Act.

The life of the principal Act as so extended was due to expire on the 18th July, 1980. As the Assembly was not in session and it was considered necessary to continue the provisions of the principal Act, pending enactment of comprehensive legislation, for a further period of one year, the *Calcutta Thika* Tenancy Stay of Proceedings (Temporary Provisions) (Amendment) Ordinance, 1980 was promulgated to achieve the objective.

The Bill seeks to replace the said Ordinance.

LABOUR DEPARTMENT

ORDER

No. 3633-I.R./IR/8L-11/79.—22nd July 1980—Whereas under the Government of West Bengal, Labour Department, order No. 2004-I.R./IR/8L-11/79, dated 10th May 1979, the industrial dispute between Messrs. Laxmi Cottage Industries, 32/13B Beadon Street, Calcutta-6 and their workman Shri Ram Sewak Singh, 3 Khirode Gopal Mitra Lane, Calcutta-5, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Labour Court;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Laxmi Cottage Industries, 32/13B Beadon Street, Calcutta-6 and their workman Shri Ram Sewak Singh, 3 Khirode Gopal Lane, Calcutta-6. (Case No. VIII-C-39/79.) (G. O. No. 2004-I.R./IR/8L-11/79, dated the 10th May 1979.)

AWARD

By the Government of West Bengal, Labour Department, order No. 2004-I.R./IR/8L-11/79, dated 22nd May 1980, an industrial dispute between Messrs. Laxmi Cottage Industries, 32/13B Beadon Street, Calcutta-6, and their workman Shri Ram Sewak Singh, 3 Khirode Gopal Mitra Lane, Calcutta-6, was referred to this Court under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue :

Issue

Is the termination of service of Shri Ram Sewak Singh justified? To what relief, if any is he entitled?

After receipt of the reference, notices were issued upon the parties and the workman filed his written statement. As no steps were taken by the Company, the matter was heard ex parte

P. W. 1 Shri Ram Sewak Singh was dismissed from service on and from 22nd October 1975 and at that time he was drawing a salary of Rs. 450 in all per month. He was a Machineman of the Company. The Company without any reasonable and probable cause wrongfully brought his service to an end. He further proved that he raised a dispute with the Company claiming benefits. I am satisfied that Shri Ram Sewak Singh has proved his case and he is entitled to the benefits claimed. I, therefore, ordered that the termination of service of Shri Ram Sewak Singh is illegal and unjustified and that he be reinstated in service with immediate effect. I further ordered that the workman concerned is entitled to get back wages from the Company at the rate of Rs. 450 till the date of re-employment. The workman is also entitled to the other benefits which the Company paid to its employees of the category of the workman concerned during this period of time.

This is my award. The instant reference is thus disposed of.

Dictated and corrected by me.

A. K. DAS GUPTA,
Judge.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 3074-L.—18th August, 1980.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 48 of 1980

THE CODE OF CRIMINAL PROCEDURE (WEST BENGAL AMENDMENT) BILL, 1980.

A

BILL

to amend the Code of Criminal Procedure, 1973, in its application to West Bengal.

WHEREAS it is expedient to amend the Code of Criminal Procedure, 1973, in its application to West Bengal, for the purposes and in the manner hereinafter appearing; 2 of 1974.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the Code of Criminal Procedure (West Bengal Amendment) Act, 1980.

Application of the Act.

2. The Code of Criminal Procedure, 1973 (hereinafter referred to as the principal Act), shall, in its application to West Bengal, be amended in the manner hereinafter provided.

Amendment of section 437 of Act 2 of 1974.

3. In section 437 of the principal Act, after the second proviso to sub-section (*1*), the following further proviso shall be inserted:—

"Provided also that where a person has failed to comply with the conditions of the bail bond as regards the time and place of attendance on more than one occasion, the Court shall refuse to release such person on bail when on a subsequent occasion he appears before the Court or is brought in custody unless the Court is satisfied that it was not physically possible for him to appear on the earlier date, and any such refusal shall be without prejudice to the power of the Court to call upon any person bound by such bond to pay the penalty thereof under section 446.".

The Code of Criminal Procedure (West Bengal Amendment) Bill, 1980.

(*Clause 4.*)

Amendment of section 438.

4. To sub-section (*1*) of section 438 of the principal Act, the following proviso shall be added:—

"Provided that where the apprehended accusation relates to an offence punishable with death, imprisonment for life or imprisonment for a term of not less than seven years, no final order shall be made on such application without giving the State not less than seven days' notice to present its case.".

STATEMENT OF OBJECTS AND REASONS.

Because of the relevant provisions of the Code of Criminal Procedure, 1973 (2 of 1974) as they stand at present persons accused of serious offences, and on many occasions notorious criminals, obtain orders of anticipatory bails from Courts very easily and often without the State getting any opportunity to present its case against the grant of such bails. As a result, the police authorities are confronted with serious difficulties with regard to proper investigation and prosecution of the concerned accused persons.

Another difficulty is that frequent bailing out even of those accused persons who had earlier jumped bail and who had been apprehended after prolonged efforts and search, causes delay in the matter of investigation, T.I. parade and prosecution.

Following the guidelines given in this behalf by the Supreme Court in its judgement in the case, Balchand Jain -vs- the State of M.P., it is proposed to amend section 438 of the Code of Criminal Procedure, 1973, providing for giving the State at least seven days' notice to present its case before final orders are passed by the Courts on the petitions for anticipatory bail filed by the persons likely to be accused of offences punishable with death, imprisonment for life or imprisonment for a term not less than seven years.

As regards frequent bailing out of the accused persons even after they had jumped bail and had subsequently been arrested, it is proposed to suitably amend section 437 of the abovementioned Code, requiring the Courts to refuse release of such persons on bail unless the Court is satisfied that it was not physically possible for such accused persons to appear on the earlier occasion.

This Bill seeks to enact the proposed amendments indicated above.

No. 3094-L.—19th August, 1980. The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :-

Bill No. 49 of 1980

THE WEST BENGAL HOUSING BOARD (AMENDMENT) BILL, 1980.

A

BILL

to amend the West Bengal Housing Board Act, 1972.

WHEREAS it is expedient to amend the West Bengal Housing Board Act, 1972, for the purpose and in the manner hereinafter appearing; West Ben. Act XXXII of 1972.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the West Bengal Housing Board (Amendment) Act, 1980.

Amendment of section 12 of West Ben. Act XXXII of 1972. **2.** In section 12 of the West Bengal Housing Board Act, 1972, in sub-section (*1*), the words "and one or more Assistant Housing Commissioners," shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

Sub-section (1) of section 12 of the West Bengal Housing Board Act, 1972 (West Bengal Act XXXII of 1972), provides that the Board shall have a Housing Commissioner who shall be the Chief Executive Officer and one or more Assistant Housing Commissioners and such other officers and employees as the Board may consider necessary for the efficient performance of its functions.

2. The post of Assistant Housing Commissioner has so far been filled up by senior officers of the State Government of the rank of Deputy Secretary. Of late, Government are finding it difficult to depute such officers to the post of Assistant Housing Commissioner due to the designation of the post, as connotation of the word 'Assistant' suggests a sort of rough equivalent to a post of Assistant Secretary. It is, therefore, proposed to amend the West Bengal Housing Board Act, 1972 by deleting the expression "and one or more Assistant Housing Commissioners" from sub-section (1) of section 12 of that Act and to empower the Housing Board to create administrative posts under the Board within the broad frame work of section 12 of the said Act.

3. The Bill has been framed with that object in view.

(*2*) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the matters which may be, or are required to be, prescribed or made by rules.

STATEMENT OF OBJECTS AND REASONS

The North Suburban Hospital, Cossipore, is a general Hospital having 137 indoor beds. The Hospital has arrangement for outdoor service including specialists' service. It has also an attached Chest Clinic. The Hospital renders useful service in the thickly populated Cossipore Area.

2. The Hospital had been functioning under the auspices of the North Suburban Hospital Society, a society registered under the Societies Registration Act and was managed by a General Committee of Management with financial assistance from Government.

3. Due to financial strains and some inherent administrative problems the Managing Committee of the Hospital had been finding it extremely difficult to run the Hospital smoothly.

4. Ultimately the General Body Members of the North Suburban Hospital Society in a special meeting passed a resolution to the effect that the General Committee of Management of the Hospital would stand dissolved on and from 31st March, 1973. The meeting also requested Government to appoint an Administrator for the Hospital pending its acquisition by Government. With the dissolution of the Committee a void had been created in the management of the Hospital. In order to meet the situation, the Health and Family Welfare Department, in public interest and in pursuance to the resolution of the North Suburban Hospital Society, appointed an Administrator who took over charge on 28th March, 1973. Since then the Hospital has been functioning under the management and control of the Administrator.

5. The North Suburban Hospital, Cossipore, is situated in a thickly populated area. This Hospital which has all the potentialities of being developed into a first class Hospital can give extended medical coverage to the people of area if it is properly maintained and developed by the State Government.

6. In public interest it was, therefore, considered necessary to take over the North Suburban Hospital immediately together with the Clinic attached thereto and all its assets and liabilities on a permanent basis by a suitable legislation.

7. The present Bill seeks to achieve the above objects.

Member-in-charge.

CALCUTTA,

It has also an attached Chest Clinic. On taking over the Hospital will be run as a full-fledged State Hospital with the indoor and outdoor Departments.

The Scheme involves a non-recurring expenditure of Rs.6.87 lakhs for liquidating the outstanding liabilities and meeting the deficiencies and undertaking effective immediate and essential improvements and an annual recurring expenditure of Rs.13.34 lakhs for maintenance of the Hospital including salaries of staff, diet, medicines, etc.

Besides the above, there is a provision in clause 5 of the Bill for payment of compensation for land and building and all other assets in the manner indicated therein.

STATEMENT OF OBJECTS AND REASONS.

There is a widespread sense of dissatisfaction among the working class in general about the delay involved in processing and settlement of industrial disputes and also in getting the decisions of different forums implemented in practice. There are also legitimate expectations for better benefits and protection against the arbitrary action by revising the existing provisions and by removing the lacunae found in course of administration of the Act over the years. It is, therefore, felt necessary to amend the Industrial Disputes Act, 1947, in its application to West Bengal, suitably. The object of the Bill is to amend the said Act, in its application to West Bengal, with a view to—

(i) bringing the persons employed in connection with the sales promotion work within the ambit of the Act;

(ii) making it clear that all cases of termination of service by the employer would be regarded as "retrenchment" for the purposes of the Act;

(iii) extending the period of notice required to be given for effecting changes in the conditions of service specified in the Fourth Schedule to the Act to forty-two days from twenty-one days;

(iv) providing specifically as to when conciliation proceedings shall be deemed to have commenced;

(v) making conciliation proceedings time-bound by fixing sixty days as the normal limitation period with provision for maximum extension up to six months;

(vi) expediting adjudication proceedings before the Labour Court/Industrial Tribunal by specifically providing that day to day hearing shall be given by the Presiding Officer concerned on completion of preliminary hearing, filing of statements and taking of evidence;

(vii) making it obligatory on the part of every Labour Court/Industrial Tribunal, to which an industrial dispute is referred for adjudication, to determine within a period of sixty days the quantum of interim relief admissible;

(viii) providing that the quantum of interim relief in respect of dispute over dismissal, retrenchment or termination of service shall be fifty per cent. of the total wages last drawn during the pendency period up to ninety days and seventy-five per cent. of the wages last drawn thereafter being equivalent to subsistence allowance admissible under the West Bengal Payment of Subsistence Allowance Act, 1969;

(ix) providing that an award/decision shall be pronounced in open court/office on a day specified by the Presiding Officer;

(x) providing that the certified copy of the award/decision shall be sent to the parties concerned direct free of cost, by the Labour Court/Industrial Tribunal/Arbitrator concerned;

(xi) providing that the award shall be normally enforceable after the expiry of thirty days from the date of pronouncement subject to certain conditions in respect of cases where Government is a party;

(xii) conferring on the Labour Court/Industrial Tribunal powers on the lines of civil court to execute its own award and settlement signed under the Act;

(xiii) omitting the second proviso to section 25C of the Act which confers powers on the management to retrench workmen laid-off for forty-five days and adjust lay-off compensation already paid with the retrenchment compensation payable to such workmen;

(xiv) specifying in section 25E that, if lay-off extends to a period of more than a week, the workman affected may be required to present himself only once a week instead of once a day;

(xv) making payment of compensation for closure a condition precedent to closure as in the case of retrenchment;

(xiv) providing that if a closed unit is re-opened, the workmen on its rolls immediately before such closure shall be given opportunity to offer themselves for re-employment and their cases shall be considered in the same preferential manner as in the case of retrenched workmen;

(xvii) making the special provision relating to lay-off and retrenchment in Chapter VB of the applicable to units employing "not less than fifty workmen" instead of "not less than three hundred workmen" as provided at present;

(xviii) extending the time limit for Government's decision regarding permission for lay-off under sub-section (4) of section 25M of the Act to a period of three months instead of two months;

(xix) making a new provision to the effect that if a workman is reinstated in service by an award of a Labour Court/Industrial Tribunal, he shall be deemed to be in service from the date specified in the award whether or not the workman was earlier reinstated by the employer and his wages shall be recovered in the manner provided in section 33C; and

(xx) changing the present mode of recovery laid down in section 33C by providing that the money due to the workmen shall be realised as a fine imposed by a Magistrate instead of as an arrear of land revenue as provided now.

Bill No. 51 of 1980

THE PRESIDENCY SMALL CAUSE COURTS (WEST BENGAL AMENDMENT) BILL, 1980.

A

BILL

to amend the Presidency Small Cause Courts Act, 1882, in its application to West Bengal.

WHEREAS it is expedient to amend the Presidency Small Cause Courts Act, 1882, in its application to West Bengal, for the purposes and in the manner hereinafter appearing; 15 of 1882.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement

1. (*1*) This Act may be called the Presidency Small Cause Courts (West Bengal Amendment) Act, 1980.

(*2*) It shall come into force on such date as the State Government may, by notification in the *Official Gazette*, appoint.

Application of the Act

2. The Presidency Small Cause Courts Act, 1882 (hereinafter referred to as the principal Act), shall, in its application to West Bengal, be amended in the manner hereinafter provided.

Amendment of section 18 of Act 15 of 1882.

3. In Chapter IV of the principal Act, in section 18, for the words "the Small Cause Court shall have jurisdiction to try all suits of a civil nature—", the words "the Small Cause Court shall have jurisdiction and the High Court shall not have jurisdiction to try all suits of a civil nature—" shall be substituted.

The Presidency Small Cause Courts (West Bengal Amendment) Bill, 1980.

(*Clauses 4, 5.*)

Insertion of new section 21A.

4. In Chapter IV of the principal Act, after section 21, the following section shall be inserted:—

"Act to override other laws including Letters Patent.

21A. The provisions of this Act shall have effect notwithstanding anything to the contrary in any other law, including in particular the Letters Patent of the High Court.".

Saving of suits and proceedings pending in High Court.

5. Nothing contained in this Act shall affect any suit or proceeding pending in the High Court on the date on which this Act comes into force, and every such suit or proceeding shall be continued as if this Act had not been passed.

STATEMENT OF OBJECTS AND REASONS.

The High Court has, at present, concurrent jurisdiction with the Small Cause Court, Calcutta, over suits the amount or value of the subject-matter of which exceeds Rs. 100, but does not exceed Rs. 10,000.

In order to provide relief to the poor litigants, it is felt necessary that the Small Cause Court, Calcutta, should have exclusive jurisdiction over such suits. The Presidency Small Cause Courts Act, 1882, should, therefore, in its application to West Bengal, be amended suitably.

The Presidency Small Cause Courts (West Bengal Amendment) Bill, 1980, seeks to achieve the above objective.

No. 3129-L.—20th August, 1980.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 53 of 1980

THE WEST BENGAL WORKMEN'S HOUSE-RENT ALLOWANCE (AMENDMENT) BILL, 1980.

A

BILL

to amend the West Bengal Workmen's House-rent (Allowance) Act, 1974.

WHEREAS it is expedient to amend the West Bengal Workmen's House-rent Allowance Act, 1974, for the purposes and in the manner hereinafter appearing; West Ben. Act LVI of 1974.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the West Bengal Workmen's House-rent Allowance (Amendment) Act, 1980.

(2) It shall come into force on such date as the State Government may, by notification in the *Official Gazette*, appoint.

Amendment of section 1 of West Ben. Act LVI of 1974.

2. In sub-section (*4*) of section 1 of the West Bengal Workmen's House-rent Allowance Act, 1974 (hereinafter referred to as the principal Act), after the existing proviso, the following further proviso and *Explanation* shall be added:—

"Provided further that this Act, if it once applies to any industry, shall continue to apply to that industry even if the number of workmen employed in that industry falls below fifty or, as the case may be, below such number as may be specified in the notification under the first proviso.

The West Bengal Workmen's House-rent Allowance (Amendment) Bill, 1980.

(*Clauses 3, 4.*)

Explanation. For computing the number of workmen employed in any industry for the purposes of this sub-section, the number of workmen employed in all the units and the branches of the industry in and outside West Bengal, shall be taken into consideration, and if there is any dispute or difference in this regard, the decision of the State Government thereon shall be final.".

Amendment of section 2.

3. Clause (*a*) of section 2 of the principal Act shall be omitted.

Amendment of section 4.

4. For sub-section (*1*) of section 4 of the principal Act, the following sub-section shall be substituted:—

"(*1*) Every employer shall be bound to pay to every workman house-rent allowance which shall be five *per cent.* of the wages payable to the workman for his service in the industry during a month, or rupees fifteen, whichever is higher:

Provided that in the case of a workman employed purely on temporary basis or casual basis or as a *budli*, who renders service for less than six days in a month, house-rent allowance shall be paid pro-rata.".

STATEMENT OF OBJECTS AND REASONS.

Some administrative difficulties are being experienced in implementing the provisions of the West Bengal Workmen's House-rent Allowance Act, 1974 and there are widespread demands from the industrial workers for enhancing the rate of house-rent allowance payable under the Act in view of high rents charged for housing accommodation in the industrial areas of the State and making it payable to all regular workers without restriction.

The object of this Bill is to amend the West Bengal Workmen's House-rent Allowance Act, 1974 with a view to providing that—

(i) the West Bengal Workmen's House-rent Allowance Act, 1974 if it once applies to any industry, shall continue to apply to that industry even if the number of workmen employed in that indutry falls below fifty or, as the case may be, below such number as may be specified by the State Government by notification;

(ii) for computing the number of workmen employed in any industry for the purposes of the Act the number of workmen employed in all the units and the branches of the industry in and outside West Bengal, shall be taken into consideration, and if there is any dispute or difference in this regard, the decision of the State Government thereon shall be final;

(iii) the rate of house rent allowance payable shall be five *per cent.* of the wages payable to the workmen or rupees fifteen, whichever is higher, per month, provided, however, that in the case of a workman employed purely on temporary basis or casual basis or as a *budli* who renders service for less than six days in a month, house rent allowance shall be paid pro-rata; and

(iv) the definition of "continuous service" shall be omitted because the requirement of continuous service is being done away with.

(*2*) If the body is not claimed within the period referred to in sub-section (*1*) and if the person having the control and management of the hospital, prison, nursing home or other institution, as the case may be, considers that the removal of the eye or eyes from the body of the deceased may be authorised, he shall give the authority for such removal in such form as may be prescribed.

Grant of certificate on removal of eyes.

3B. On removal of the eye or eyes from the body of the deceased person for use for therapeutic purposes, the person who removed the eye or eyes shall grant a certificate in such form as may be prescribed.".

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Corneal Grafting Act, 1965 and the rules made thereunder provide for removal of corneas from the eyes of the deceased persons and the use thereof for therapeutic purposes. Under the provisions of the said Act, two Eye-Banks were established in Calcutta for preservation of the corneas donated by the public. But the donation of eyes by the public is very poor in comparison with the large number of patients requiring treatment there. Moreover a large number of blind people in the rural areas of the State have no facility for undergoing such treatment.

With a view to making the Corneal Grafting programme a success in this State and to provide adequate facilities to augment donation of cornea for treatment of blindness to the people of the remote areas of the State, the present proposal for introducing the West Bengal Corneal Grafting (Amendment) Bill, 1980, has been made on the basis of the recommendations made by the Committee on Petitions 1977-79, of the West Bengal Legislative Assembly.

NOTIFICATION

No. 3131-L.—21st August 1980.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 55 of 1980

THE WEST BENGAL HOMOEOPATHIC SYSTEM OF MEDICINE (THIRD AMENDMENT) BILL, 1980.

A BILL

to amend the West Bengal Homoeopathic System of Medicine Act, 1963.

WHEREAS it is expedient to amend the West Bengal Homoeopathic System of Medicine Act, 1963, for the purpose and in the manner hereinafter appearing; West Ben. Act XXXIII of 1963.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:

Short title. **1.** This Act may be called the West Bengal Homoeopathic System of Medicine (Third Amendment) Act, 1980.

Amendment of section 15A of West Ben. Act XXXIII of 1963. **2.** In section 15A of the West Bengal Homoeopathic System of Medicine Act, 1963 (hereinafter referred to as the principal Act), in sub-section (*10*), for the words "for a further period of two years", the words "for a further period of two years and six months" shall be substituted, and shall be deemed always to have been substituted.

Repeal and savings. **3.** (*1*) The West Bengal Homoeopathic System of Medicine (Amendment) Ordinance, 1980, is hereby repealed. West Ben. Ord. V of 1980.

(*2*) Anything done or any action taken under the principal Act as amended by the West Bengal Homoeopathic System of Medicine (Amendment) Ordinance, 1980, shall be deemed to have been validly done or taken under the principal Act as amended by this Act as if this Act had commenced on the 26th day of May, 1980.

STATEMENT OF OBJECTS AND REASONS.

Section 15A of the West Bengal Homoeopathic System of Medicine Act, 1963, as amended, confers, inter alia, power on the State Government to appoint an ad hoc Committee in place of the existing Council of Homoeopathic Medicine, West Bengal, if at any time, it appears to the State Government that the nomination or election to the said Council has not taken place in accordance with the provision of the Act or a period of more than four years from the date of the first meeting of the Council has elapsed.

In terms of sub-section (9) read with sub-section (10) of section 15A of the Act, as amended, the period up to which appointment of such Ad hoc Committee can be made is six months initially which can be extended for a further period of twenty-four months, not exceeding three months at a time.

2. An Ad hoc Committee of the Council of Homoeopathic Medicine, West Bengal, was duly appointed for a period of six months in terms of section 15A of the above Act and its period of appointment was extended eight times at the rate of three months each time. The said extended period of the Ad hoc Committee was due to expire on 28th May, 1980.

3. In terms of sub-section (9) of section 15A of the above Act, the election and nomination of the members of the Council is required to be made as per the provision of the Act within a period of six months from the date of appointment of the Ad hoc Committee. But the election to the Council could not be held by the Ad hoc Committee within the stipulated period due to its pre-occupation with other pressing matters and as holding of examinations, working of Homoeopathic College, demands and complaints of students, teachers, etc. Incidentally, it may be indicated that under sub-section (7) of section 15A of the Act the Ad hoc Committee exercises all the functions of the Council.

4. However, the Ad hoc Committee took all possible steps to complete the election of the Council by 28th May, 1980 but certain legal difficulties cropped up and the same stood the way of completing election by the aforesaid date. It appeared to the Health Department that the present Ad hoc Committee could not fulfil its obligations to hold elections in time for genuine reasons.

5. As the Council duly elected could not be formed, the extension of the life of the Ad hoc Committee was considered essential to avoid deadlock in the Council. But the provisions of the Act did not permit extension of the life of the Ad hoc Committee beyond twenty-four months after its initial appointment for a period of six months. The said extended period of twenty-four months expired on 28th May, 1980 as stated in paragraph 2 above.

It was, therefore, decided to amend the Act suitably so as to include provision for extension of the life of the Ad hoc Committee for a period of two years and six months after its initial appointment for a period of six months.

6. As the State Assembly was not in session an Ordinance for amendment of Act, viz., the West Bengal Homoeopathic System of Medicine (Amendment) Ordinance, 1980 was promulgated for enabling the State Government to extend the life of the Ad hoc Committee for a period of two year and six months after its initial appointment for a period of six months.

The Bill seeks to replace the said Ordinance.

The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 56 of 1980

THE WEST BENGAL COLLEGE SERVICE COMMISSION (AMENDMENT) BILL, 1980.

A BILL

to amend the West Bengal College Service Commission Act, 1978.

WHEREAS it is expedient to amend the West Bengal College Service Commission Act, 1978, for the purposes and in the manner hereinafter appearing; West Ben. Act LXII of 1978.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the West Bengal College Service Commission (Amendment) Act, 1980.

(*2*) It shall be deemed to have come into force on the 26th day of July, 1980.

Insertion of new section 4A in West Ben. Act LXII of 1978.

2. After section 4 of the West Bengal College Service Commission Act, 1978 (hereinafter referred to as the principal Act), the following section shall be inserted:—

"Special provision for the first Chairman.

4A. Notwithstanding anything contained elsewhere in this Act, the State Government may, if it considers necessary so to do, reappoint the first Chairman to be the Chairman of the Commission till he attains the age of sixty-five years.

The West Bengal College Service Commission (Amendment) Bill, 1980.

(*Clause 3, 4.*)

Explanation. "First Chairman" shall mean the person who has held the office of the Chairman immediately after the constitution of the Commission.".

Amendment of section 9.

3. Section 9 of the principal Act shall be renumbered as sub-section (*1*) of that section and after sub-section (*1*) as so renumbered, the following sub-sections shall be inserted:

"(2) Notwithstanding anything contained in sub-section (*1*),

(*a*) any recommendation, made before the constitution of the Commission, by the Selection Committee referred to in the first proviso to section 3 of the West Bengal College Teachers (Security of Service) Act, 1975 for appointment to any post of Teacher of a college shall remain valid for a period of one year and six months from the date of such recommendation and appointment to such post shall be made on such recommendation;

(*b*) recommendation of the Commission shall not be necessary with respect to the appointment, on a part-time basis,—

(*i*) to a post of Teacher of a college in the professional subject of law, accountancy, business organisation or secretarial practice, or

(*ii*) to any vacancy for a period not exceeding six months in any other post of Teacher of a college occurring by reason of leave.

(*3*) The method of, and the qualifications required for, appointment of a Teacher of a college under clause (*b*) of sub-section (2) shall be such as may be prescribed.".

Repeal and savings.

4. (*1*) The West Bengal College Service Commission (Amendment) Ordinance, 1980, is hereby repealed.

West Ben. Ord. IX of 1980.

(*2*) Notwithstanding such repeal anything done or any action taken under the principal Act as amended by the West Bengal College Service Commission (Amendment) Ordinance, 1980 shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

In terms of the second proviso to sub-section (1) of section 4 of the West Bengal College Service Commission Act, 1978, no person who has attained the age of sixty-two years shall be eligible to hold office in any capacity, whether as Chairman or other Member of the West Bengal College Service Commission. The first Chairman, who was appointed in November, 1979, retired on 30th April, 1980 on attaining the age of sixty-two. It is felt that provision be made for re-appointment of the first Chairman till he attains the age of sixty-five years. There are a number of vacancies in the posts of Principal in non-Government colleges. The Commission is not in a position to select candidates for these posts immediately. In the interest of the college administration, it is proposed that these posts be filled up without delay out of the panel prepared by the existing statutory Selection Committee by keeping the said panel alive for a period of one year and six months from the date of preparation of the said panel. In the academic interest, it is also proposed that the college authorities be permitted to appoint Teachers in some professional subjects and against leave vacancies on part time basis.

2. As, however, the West Bengal Legislative Assembly was not in session, an Ordinance, namely, the West Bengal College Service Commission (Amendment) Ordinance, 1980 was promulgated earlier on the subject.

3. The present Bill seeks to continue the provisions of the said Ordinance.

4. No extra financial liability is involved to give effect to the provisions of the Bill after it is passed into law.

CALCUTTA,
The 21st August, 1980.

Consequential changes have been made in different other provisions of the Bill.

Clause 3

The total maximum period for which the management of a Rabindra Cultural Institution shall remain vested in the Government has been reduced from five years to four years.

Clause 5

The Administrator to be appointed under the Act shall not be below the rank of a Sub-divisional Information Officer.

Clause 11

The maximum fine to be imposed for contravention of the provisions of this Act has been fixed at one thousand rupees.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Beni Ltd., Kamarhati, 24-Parganas, and their workman, Shri Krishna Behari Mishra, B. T. Road, Industrial Housing Scheme. Block No. 3/18 Belghoria Calcutta 56. (Case No. VIII-343 of 1978.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri A. N. MITRA, Judge,
Fifth Industrial Tribunal.

Appearances :

For the workman : Shri N. D. Srimani, Advocate.
For the Company : None.

AWARD

The Government of West Bengal, Labour Department, by its order No. 4500-I.R./IR/10L-132/78, dated the 16th October 1978, referred under section 10 read with section 2A of the Industrial Disputes Act, 1947, an industrial dispute between Messrs. Beni Ltd., Kamarhati, 24-Parganas, and their workman, Shri Krishna Behari Mishra, B. T. Road, Industrial Housing Scheme, Block No. 3/18, Belghoria, Calcutta-56, to this Tribunal for adjudication in respect of the following issue :

Issue

Is the termination of service of Shri Krishna Behari Mishra justified ? To what relief, if any, is he entitled ?

On receipt of the Order of Reference here the usual notices from the Tribunal have been issued to and served on the parties who in pursuance thereof have entered appearances and have filed their respective written statements.

The case of the workman in his written statement is in brief that he was employed in the Company discharging mainly clerical work. The Company upon him served a charge-sheet containing the allegations which were untrue and the workman submitted his reply in writing thereto denying the allegations in the charge-sheet. At the instance of the Company there has been held a domestic enquiry which is not at all fair and proper. On the basis of the report of enquiry and on the allegation of the loss of confidence on the part of the Company upon the workman the Company terminated the services of the workman in the Company by the letter dated 3rd August 1976 of the Company (Ext. 8) with immediate effect. The termination of the services of the workman is illegal and unjustified. The workman thus prays for his reinstatement in the services of the Company with full back wages.

In its written statement the Company alleges inter alia that Shri Mishra was not a workman as defined in the Industrial Disputes Act, 1947. The enquiry is fair and proper. The termination of the services of Shri Mishra in the Company is lawful and justified. Shri Mishra is entitled to no relief.

On completion of the formal steps the case was set down for hearing of the preliminary objection raised by the Company against the maintainability of the Order of Reference and consequently on jurisdictional question. In connection therewith the Company adduced both oral and documentary evidence and also cross-examined in part the first witness on behalf of the workman namely the workman himself (P. W. 1) after which the Company gave up the contest and chose to be absent on the dates fixed for hearing.

The preliminary objection was dismissed and the case was set down for hearing. On the date fixed for said hearing the Company chose to remain absent.

In the absence of the Company the case has been thus heard ex parte.

The workman Shri Mishra (P W. 1) has deposed against the propriety and fairness of the enquiry. The Tribunal has to reason to fail to believe such evidence of Shri Mishra (P.W.1).

On the materials and evidence on record the Tribunal believes and holds that the enquiry held against Shri Mishra is not fair and proper.

The sheet anchor of the action of termination taken on behalf of the Company against Shri Mishra the workman thus falls through. The result is that the order of termination of the services of Shri Mishra in the Company contained in its letter dated 3rd August 1976 (Ext. 8), cannot be sustained as it is found to be not just and lawful. Such order of termination contained in the above letter (Ext. 8) is thus set aside.

The workman Shri Mishra is thus entitled to be reinstated in the services in the Company.

There is no case in the written statement of the workman and there is also no evidence on behalf of the workman to show that since termination of his services in the Company as above Shri Mishra has been wihout any employment or without any earning. That being so the claim of the workman Shri Mishra for back wages is left open to be fought out in the proper forum if the parties so desire and if they are so advised. The issue is thus disposed of accordingly.

The Company is thus directed to reinstate the above workman Shri Krishna Behari Mishra in the services in the Company within thirty days from the date of publication of the award in the Calcutta Gazette.

This is the award of the Tribunal.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 3186-L.—26th August, 1980.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons and the Financial Memorandum which accompany it, in the *Calcutta Gazette*, the Bill, the Statement of Objects and Reasons and the Financial Memorandum are accordingly hereby published for general information :—

Bill No. 57 of 1980

THE BENGAL MUNICIPAL (SECOND AMENDMENT) BILL, 1980.

A

BILL

to amend the Bengal Municipal Act, 1932.

WHEREAS it is expedient to amend the Bengal Municipal Act, 1932, for the purpose and in the manner hereinafter appearing; Ben. Act XV of 1932.

It is hereby enacted in the Thirty-first Year of the Republic of India, by the Lgislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Bengal Municipal (Second Amendment) Act, 1980.

(2) It shall be deemed to have come into force on the 11th day of August, 1980.

Amendment of section 21F of Ben. Act XV of 1932.

2. In section 21F of the Bengal Municipal Act, 1932 (hereinafter referred to as the principal Act), for sub-section (*4*), the following sub-section shall be substituted:—

"(*4*)(*a*)(*i*) Any person whose name is not included in the electoral roll for a municipality may apply to the election authority for the inclusion of his name in that roll.

(*ii*) If the election authority is satisfied that the applicant is entitled to be registered in the electoral roll, the election authority shall, subject to such general or special direction, if any, as may be given by the State Government in this behalf, direct his name to be included therein.

The Bengal Municipal (Second Amendment) Bill, 1980.

(Clause 3.)

(*b*) If the election authority, on application made to it or on its own motion, is satisfied, after such enquiry as it thinks fit, that any entry in an electoral roll for a municipality is or has been erroneous or defective in any particular, the election authority shall, subject to such general or special direction, if any, as may be given by the State Government in this behalf, correct the entry.

(*c*) No direction for the inclusion of a name in the electoral roll for a municipality shall be given, and no correction of any entry shall be made, under this sub-section after the last date for making nominations for an election in that municipality and before the completion of that election.".

Repeal and savings.

3. (*1*) The Bengal Municipal (Amendment) Ordinance, 1980, is hereby repealed. West Ben. Ord. X of 1980.

(*2*) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the Bengal Municipal (Amendment) Ordinance, 1980, shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

Sub-section (*4*) of section 21F of the Bengal Municipal Act, 1932 provides that after final publication of a municipal electoral roll, the election authority is competent to make correction in regard to any entry in the roll subject to such general or special directions, if any, as may be given by the State Government in this behalf. But the election authority is not authorised by the Act to make any new or fresh entry in the electoral roll after its final publication.

2. In the case of the electoral roll envisaged in the Representation of the People Act, 1950, an eligible person can get his name enrolled as a voter even after the final publication of the electoral roll. No such remedy is available in respect of the municipal electoral roll after the same is finally published.

3. It is common knowledge that electors in our country do not generally take interest in the electoral roll unless the election becomes imminent. Not infrequently even a prospective candidate for an election may discover at a late stage that his name has been omitted in the relevant electoral roll. While in a general election under the provisions of the relevant Act a person may get his name included in the electoral roll even at a late stage, no such opportunity is available to him in the municipal election once the municipal electoral roll is finally published. It is, however, desirable to incorporate in the Bengal Municipal Act, 1932 a similar provision for the convenience of the eligible electors.

4. With the above object in view, as the Legislative Assembly was not in session, the Bengal Municipal (Amendment) Ordinance, 1980 was promulgated.

5. The Bill seeks to continue the provisions of the said Ordinance.

The 23rd August, 1980.

Member-in-charge.

FINANCIAL MEMORANDUM.

No additional expenditure from the State Exchequer is involved for implementation of the provisions of the proposed Bengal Municipal (Second Amendment) Bill, 1980.

REPORT OF THE SELECT COMMITTEE

1. I, the Chairman of the Select Committee to which the Bill to provide for better administration of the municipal affairs of Howrah by establishment of a Municipal Corporation, cited as the Howrah Municipal Corporation Bill, 1980 (published in the "Calcutta Gazette, Extraordinary" dated the 30th April, 1980), was referred, having been authorised by the Committee to submit the report on their behalf, present this report, with the Bill as amended by the Committee annexed hereto.

2. The Bill was introduced in the West Bengal Legislative Assembly on the 6th May, 1980. Thereafter, the motion for reference of the Bill to a Select Committee of the House was moved by Shri Prasanta Kumar Sur, Minister-in-charge of the Local Government and Urban Development Department. The motion was discussed and adopted on the same day (Appendix I).

3. The Committee held nine sittings in all.

4. At the first meeting held on the 3rd June, 1980, the Committee decided to hear experts and persons interested in the Bill. The Committee accordingly held a sitting at the Howrah Municipal Office on the 7th July, 1980 and heard the views of different persons interested in the Bill. A list of persons who appeared before the Committee for evidence and offered their views on the Bill is given in Appendix II. The Committee duly considered the views and the evidence of the above persons in course of deliberations at their meetings.

5. The need for creating a municipal corporation for Howrah urban area with a view to extending effective civic services to the increasing population therein and also regulating the wide-ranging activities in the field of municipal administration has long been felt. For this purpose, the Howrah Municipal Act, 1965, was enacted encompassing the territorial jurisdiction of both Howrah and Bally Municipalities. But this Act did not find favour with the inhabitants of Bally Municipality and a case was brought before the High Court of Calcutta as a result of which the said Act could not be brought into force. Eventually, the Howrah Municipal Act, 1965, was repealed in the year 1974. Since then the Government have been contemplating to bring about a legislation creating a municipal corporation for Howrah urban area alone. Meanwhile, the Calcutta Municipal Corporation Bill, 1980, was passed by the West Bengal Legislative Assembly introducing some radical changes in the set up as well as functioning of the administration for the civic body of Calcutta in tune with the concepts of modern urban planning and democratisation of self-governing institutions. The Howrah Municipal Corporation Bill, 1980, with changes as proposed by the Select Committee, has, in the main, drawn upon the provisions of the Calcutta Municipal Corporation Bill, 1980, which are purported to be model municipal laws of our country. Nevertheless, the special needs and problems of Howrah urban area have been kept in view. The Bill with amendments as recommended by the Select Committee is now designed to be an independent and exclusive piece of legislation and its provisions have been delinked as far as practicable from other legislative provisions of referential character.

6. The Committee considered the Bill clause by clause and some important changes proposed in the Bill are detailed below :

(1) In the Bill the Deputy Mayor was kept outside the Mayor-in-Council. In the proposed change in relevant clauses of the Bill, the Deputy Mayor has been included as a member of the Mayor-in-Council so that he may act as the Mayor under certain circumstances. It has also been provided that the Deputy Mayor, instead of being elected by the elected members of the Corporation, shall be nominated by the Mayor.

An upper limit of five members besides the Mayor and the Deputy Mayor has been fixed for the Mayor-in-Council (Clauses 6 and 23A).

(2) A new office, namely, the office of the Chairman has been proposed. It has been provided that the Chairman shall be elected by the elected members of the Corporation at its first meeting after a general election. The Chairman shall preside over the meetings of the Corporation and in his absence a member from a panel of Presiding Officers to be nominated by the Chairman shall preside over such meetings. This has been done to ensure independence of the Chair and to make it free from the control of the Executive. (Clauses 8, 37A and 42.)

(3) Provision has been made so that a Mayor or a Chairman may be removed from office by a resolution carried by a majority of the total number of elected members of the Corporation at a special meeting called for the purpose upon a requisition made in writing by not less than one-third of the elected members of the Corporation. (Clause 9.)

(4) The manner of transaction of business of the Municipal Accounts Committee shall be such as may be determined by the Corporation by regulations instead of being governed by the internal working rules made by the State Government. [Sub-clause (7) of clause 10.]

(5) Consultation with the Mayor-in-Council has been made obligatory for the State Government in the matter of appointment of some principal officers, namely, the Commissioner, the Controller of Finances, the Chief Auditor, the Chief Engineer, the Chief Architect, the Health Officer and the Secretary. (Clause 13.)

(6) Provisions for classification of the posts of officers and employees constituting the establishment of the Corporation into categories have been made. It has also been provided that no upward revision of the size of the establishment of the Corporation shall be made without prior sanction of the State Government if the number of posts to be created in a year is more than one per cent. of the total number of posts in the establishment. (Clause 16.)

(7) Some changes in the Constitution of the Municipal Service Commission have been made. The Municipal Service Commission shall consist of three members—the Chairman and two other members. The Chairman and one of the other members shall be nominated by the Mayor-in-Council and one member by the State Government. (Clause 19.)

(8) Provisions for delegation of powers and functions by the Corporation to the Mayor-in-Council, by the Mayor-in-Council to the Mayor or the Commissioner, by the Mayor to the Deputy Mayor or the Commissioner and by the Commissioner to other officers subordinate to him have been made. (Clause 26A.)

(9) Sub-clause (2) of clause 33 has been substituted by the provision that the electoral roll shall be prepared separately for each constituency, there being several parts for different areas within each constituency.

(10) Any person holding office in any union or association of officers or employees of the Corporation will not be disqualified for being elected a Councillor or Alderman of the Corporation. (Clause 36.)

(11) The Corporation shall meet not less than once in every month instead of once in two months for the transaction of business (Clause 38.)

(12) The quorum necessary for the transaction of business at a meeting of the Corporation has been changed to one-fourth from one-fifth of the total number of members of the Corporation. (Clause 41.)

(13) The maximum total period of supersession of the Corporation by the State Government has been extended to eighteen months from twelve months as originally provided in the Bill. (Clause 47.)

(14) Clause 75 has been substituted by clauses 75, 75A, 75B, 75C and 75D providing for powers of the auditors to disallow, surcharge and charge, rights of appeal to a Civil Court or to the State Government, payment of certified amount, costs payable out of Municipal Fund and effect of non-payment of certified amount respectively.

(15) Some changes in the structure of consolidated rates to be imposed on the annual value of lands and buildings have been proposed. The proposed consolidated rates shall be on a slab system in a graduated scale ranging from 10 per cent. of the annual value of lands and buildings where the annual value does not exceed five hundred rupees to forty per cent. of the annual value of lands and buildings where the annual value exceeds twenty-five thousand rupees. The lands and buildings the annual value of which does not exceed one hundred rupees have been exempted from the consolidated rate. It has also been provided that the consolidated rate on lands and buildings in respect of a bustee under the West Bengal Slum Areas (Improvement and Clearance) Act, 1972, shall not exceed fifteen per cent. if it is developed, and in respect of any other bustee shall not exceed ten per cent. of the annual value of such bustee. (Clause 78.)

(16) Some changes in the principles of determination of annual value have been proposed. (Clause 79.)

(17) A provision for constitution of Municipal Assessment Code has been made. Some changes in the provision for unit of assessment have also been made. (Clause 80.)

(18) The entire Chapter IX has been substituted by new provisions. The clauses have been placed under two sub-headings, namely,—

A. Payment and recovery of tax. (Clauses 105 to 119.)

B. Recovery of consolidated rate by persons primarily liable to pay to the Corporation. (Clauses 120 to 122.)

(19) The heading of Part V of the Bill has been changed from "the Public Health, Safety and Finance" to "Civic Services".

(20) In Chapter X on "water supply and drainage" some new clauses have been inserted. The new clause 126A has been inserted providing for rights over sub-soil water resources. A new clause 130A has been inserted providing for bathing platforms and public stand posts. Clause 135A provides for house drain, cesspool, etc. New clauses 136A, 136B, 136C, 136D and 136E have been inserted under sub-heading "Drainage of Premises".

(21) In Chapter XI on "streets and public places" a new clause 146A has been inserted providing for powers to make new public streets, etc. The new clause 148A in the above chapter makes provision relating to prohibition of tethering of animals and milking of cattle. Clause 151 in this chapter has been substituted by a fresh provision relating to "rights of way for underground utilities". Also a new clause 151A has been inserted to make provisions for closure of public streets for parking purposes. The provision relating to lighting in clause 163 has been incorporated under a separate sub-heading, namely, "Lighting" in Chapter XI.

(22) In Chapter XII on "Building" clauses 154 to 158 have been substituted by new provisions.

(23) A separate chapter, namely, Chapter XIIA has been provided under the heading "Bustee" with some changes in the existing provisions in the Bill and for this purpose clause 160 has been substituted by a fresh provision and new clauses 160A and 160B have been inserted.

(24) Chapter XIII and clauses 161 and 162 have been proposed to be omitted.

(25) In Chapter XIV, clause 163 has been omitted along with the sub-heading "Lighting". Clause 164 in this chapter has been substituted by a fresh provision and placed under the heading "solid wastes".

(28) New clauses 179A, 179B and 181A have been included in Chapter XVII making some new provisions relating to prevention and checking of dangerous diseases.

(29) In Chapter XIX, a new clause 187A has been inserted empowering the State Government to amend Schedules.

(30) A separate chapter, namely, Chapter XX, with the heading "Miscellaneous Provisions" has been added with clauses 187B, 187C, 187D, 187E, 187F, 187G, 187H and 187I.

8. The Select Committee recommend that the Bill, as now amended, be passed.

PRASANTA KUMAR SUR,
Chairman,
Select Committee.

CALCUTTA :
The 9th August, 1980.

NOTE OF DISSENT

The Howrah Municipal Corporation Bill, 1980, intended to raise the status of the municipality of Howrah to that of a Corporation was placed before the Assembly and referred to the Select Committee after the Calcutta Municipal Corporation Bill, 1980, had already been adopted by the House. It was naturally expected that the Howrah Municipal Corporation Bill would, more or less, be a replica of the Calcutta Municipal Corporation Bill as passed by the House. But the draft of the Bill as referred to the Select Committee showed a wide gulf of difference, quite contrary to such expectation. Moreover the draft contained an abundance of mistakes of various forms and nature, so much so that the present member of the Select Committee was compelled to make some adverse observations in writing at the first day's sitting of the Select Committee. It is feared therefore that the Bill as passed by the Select Committee has been left with weaknesses susceptible to attacks from various angles.

As in the Calcutta Municipal Corporation Bill, in the present Bill some innovations have been introduced, and of then a few deserve some comment. The lower age limit of the electors has been brought down to 18 years, while for the elections to be Legislatures and the Parliament all over the Union of India and even for election in the Constitution of the Panchayats which are self-governing bodies for the rural areas almost parallel to the Municipalities and Corporations for urban jurisdictions, the lower age limit continues to be 21 years. This perhaps does not confirm to the idea of democracy and equal rights. The influence of the electors belonging to the age group above 18 and below 21 in the constitution of the Corporation can by no means be ignored and this has been perhaps quite reasonably resented to from many quarters.

The new office of the Chairman side by side with that of the Mayor has been even in spite of the reasons extended by the Hon'ble Minister-in-charge of the Bill, a matter of some confusion to the present member who will always hope that the two offices do not turn out to be the cause of confusion and trouble in the administration of the Corporation itself in future.

The Corporation ought to have been provided with more of autonomy than what has been actually provided in the body of the Bill. There is ample scope of interference and exercise of power and authority by the Government which a true spirit of democracy will consider undersirable. The control of the Government by the exercise of its rule-making power and the application of such rules, and also otherwise as provided in the Bill, over the administration of the Corporation, though eliminated in several instances by the suggestions of the members of the Select Committee, has been retained in many cases for the interest of a more liberal autonomy. "Regulations" ought to have been given preference to 'Rules' in many of such cases.

The centralisation of power and authority in the hands of the Mayor and the Commissioner appears detrimental to the true spirit of democracy. In the Panchayat Institutions including the Zilla Parishad, such centralisation of power and authority in one or two individuals is absent. These institutions act truly as corporate bodies like corporate and autonomous bodies outside the fields of panchayats and Municipalities. If a democratic man views such centralisation of power and authority with suspicion what is there to contradict him ?

In the Howrah Municipal Corporation some purely rural areas have been included. Such areas differ from the urbanised areas within the Corporation on many scores. The reaction of the taxation structure against the expected development benefits that may accrue to such areas in return of the burden of new taxations is yet to be seen in the practical field. The reduction made in the taxation as per suggestion of the Select Committee is a mark of some relief but to what degree and extent only future can say.

In the delimitation of the wards more deep-probing thoughts for the maintenance of parity in respects of population and compactness of areas ought to have been applied.

The development of the large area under the Corporation of Howrah, as proposed, is a problem of gigantic dimension. An honest attempt through the provisions of the Bill when passed and given force to, will be welcome by all

SASABINDU BERA, M.L.A.

STATEMENT OF OBJECTS AND REASONS.

The State Government have been considering enactment of new legislation in respect of state-aided universities in order to regulate this composition as well as functioning of different bodies. With this end in view the Burdwan University Bill, 1980 has been drafted. The Bill seeks to make the "University" a more democratic body with increased representation from teachers and representation for the first time from the students, non-teaching staff, primary and secondary school teachers' associations, peasant association and trade unions. The Academic Council has been abolished and the Faculties and Post-graduate Council of Studies have been amalgamated into the Faculty Councils. These Faculty Councils and Under-graduate Councils of Studies have been reorganised and definite powers and functions have been delegated to these bodies.

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Estates Acquisition Act, 1953 was enacted for abolition of intermediaries and imposition of ceiling limit for certain types of land. By virtue of sections 4, 5, 6 and 52 of that Act not only the rights of intermediaries, *raiyats* and under-*raiyats* in the estates but also all the estates had vested in the State free from all incumbrances. Sub-sections (1) and (3) of section 6 make it clear that lands of all description were included in estates which had vested in the State. Under section 6 ceiling limit, however, was imposed for agricultural and non-agricultural land in *khas* possession. That Act did not impose any ceiling limit for other classes of land. Thus, the West Bengal Estates Acquisition Act, 1953 applied to all classes of land, though ceiling limit was not applicable to all such classes.

2. The West Bengal Land Reforms Act, 1955, was enacted as a complementary legislation consequent on the vesting of all estates and of certain rights therein in the State. In view of definition of "estate" in clause (4) of section 3 of the Bengal Tenancy Act, 1885, lands of all classes and descriptions vested in the State under the West Bengal Estates Acquisition Act, 1953.

3. Initially the West Bengal Land Reforms Act, 1955, did not provide for any ceiling limit for any class of land. For the first time by President's Act 3 of 1971 ceiling for agricultural land was introduced in this Act. Since then various amendments have taken place in this Act chiefly regarding the ceiling provisions, rights of *bargadars* and restriction on alienation of land by Scheduled Tribes.

4. There was general public demand that the West Bengal Land Reforms Act, 1955 should be streamlined and comprehensively amended so as to advance the cause of land reforms by breaking concentration of land as the material resource of the community and means of production and by distributing the ceiling surplus land among the landless and land-poor rural people of the State to subserve the common good. It was noticed that the ceiling provisions in the West Bengal Land Reforms Act, 1955 being applicable to agricultural land only, unduly discriminated in favour of owners of lands of other classes and descriptions. The Bill is intended to do away with such discrimination. All classes of lands are now intended to be calculated within the same ceiling limit so that ceiling surplus land of all classes can be utilised for the good of the community and can be distributed among the deserving people. Amendment of the Constitution of India by omitting article 31 and clause (f) of article 19 has been taken note of.

5. The provisions of this Bill are being given retrospective effect from the 7th August, 1969 from which date the ceiling limit for agricultural land was imposed for all purposes by means of section 14P.

6. The undue discrimination enjoyed so far by the families governed by the Mitakshara School of Hindu Law has been intended to be removed. The existing provisions in the Act restricting alienation of land of Scheduled Tribes have been found to be inadequate to achieve the object. Hence, measures are being introduced to further restrict such alienation. Certain other major loopholes in the existing Act are being plugged in this Bill.

7. A new proposal is introduced for setting up Land Corporation to alleviate the difficulties faced by *raiyats* holding small quantities of land, but failing to sell the same in times of distress by reason of cultivation of such land by *bargadar*. Such reports were received by the Government. Hence the proposal. A common service co-operative society is proposed in the Bill for catering to the needs of *bargadars* and *patta*-holders under section 49 for aiding them with implements and inputs for improved methods of cultivation. This is intended to free the poorest sections of the cultivators from the clutches of usurious money-lenders and other vested interests. There are also some provisions for procedural changes for speedier implementation of the provisions of the Act for achieving the objects of land reforms.

8. The Bill has been framed with the above objects in view.

FINANCIAL MEMORANDUM.

The Bill seeks to amend the West Bengal Land Reforms Act, 1955.

2. The proposed amendment to section 4 and section 17(2) of the principal Act relate to vesting of certain land on payment of an amount in accordance with section 14V of the principal Act. Due to amendment of sections 2(7) and 2(10) all classes of land will now be considered within the same ceiling in accordance with Chapter IIB of the Act. Ceiling surplus lands are expected to vest in the State and owners of such lands will receive an amount in accordance with section 14V. A new provision for setting up Land Corporation in the proposed section 21C will require funds, but such funds will be realisable or reimbursed according to the provisions of the said section 21C. Another new provision, namely, section 48A will require funds, and the newly proposed provision namely, section 4C(2) requires that the Collector may impose terms and conditions as may be prescribed while allowing any prayer for conversion or alteration in the land-use. While framing rules under this provision, it is intended that fees and enhancement of annual levy will be prescribed in appropriate cases. So, some earning is also expected in such cases. It is, however, not possible at this stage to estimate the amount of expenditure involved or to state with any degree of accuracy the probable amount of expenditure involved. But payment of amount under section 14V or allocation of funds for setting up of Land Corporation or common service society under sections 21C and 48A will involve expenditure from the Consolidated Fund of the State.

AWARD

The Government of West Bengal, in Labour Department, has referred an industrial dispute between Messrs. Rajeswari Bastralaya, 2B Mahatma Gandhi Road, Calcutta-9 and their workman Shri Bimal Chandra Basak, 103/H/4 Narkeldanga North Road, Calcutta-11 by its Order of Reference No 679-I.R./IR/11L-570/79, dated 29th February 1980, to this Tribunal under section 10 read with section 2A, Industrial Disputes Act, for adjudication on the following issue :

Issue

Whether the termination of service of Shri Bimal Chandra Basak is justified ? What relief, if any, is he entitled ?

After receipt of the Order of Reference, notices were issued to the parties fixing 10th May 1980 for appearance, when the petitioner-workman appeared, but the Opposite Party-Company was absent inspite of service of notice upon the Opposite Party-Company on 2nd May 1980, as is

evident from the acknowledgement receipt as such. By my order No. 2, dated 10th May 1980, the petitioner-workman was directed to file his written statement on 2nd June 1980 and the petitioner-workman filed his written statement accordingly along with list of his documents. By my order No. 3, dated 2nd June 1980, the Opposite Party-Company was directed to file its written statement along with a list of documents on 23rd June 1980. The Opposite Party-Company was, however, absent all along. By my order No. 4, dated 23rd June 1980, the case was put up on 26th June 1980 for orders. By my order No. 5, dated 26th June 1980, the case was fixed for ex-parte hearing on this date. The Opposite Party-Company is absent even on this date and so, the case is taken up for ex-parte hearing.

The petitioner-workman's case is that he served under the Opposite Party-Company for about 14/15 months at a salary of Rs. 320 per month only, when his service was terminated with effect from 25th June 1978. No notice was served upon him nor any reason for termination of his service was stated. His wages was also due since September 1977. The petitioner-workman protested against the termination of service, when he was driven out by one Shri G. C. Saha, on behalf of the management. He made a G. D. entry at Muchipara police-station. He wrote to the Opposite Party-Company for reinstatement with back wages, but the Opposite Party-Company did not reply to the letter even after receiving the same nor took any step in the matter. Thereafter, he approached to the Assistant Labour Commissioner, Government of West Bengal, Labour Department, for his intervention in the matter. The conciliatory authority called for several joint conference, which were not attended by the Opposite Party-Company excepting sending a letter resulting in the present Order of Reference.

The petitioner-workman has examined 2 witnesses in support of his case including himself as P. W. 1 and a Law Department Assistant of the Labour Commissioner's Office as P. W. 2. The petitioner-workman as P. W. 1 has stated in his examination-in-chief that he served under the Opposite Party-Company for about 14/15 months at a salary of Rs. 320 per month, when his service was terminated on 25th June 1978. No notice was served upon him. He approached the management thereafter, but to no effect. He has proved a copy of the letter to the Opposite Party-Company claiming reinstatement, the acknowledgement receipt containing the signature of P. K. Saha for the Company, a copy of his letter to the Labour Commissioner, letters from the conliliatory authority, a copy of the letter given to the Assistant Labour Commissioner by the Opposite Party-Company, a copy of his letter to the Assistant Labour Commissioner in reply to the employer's statement and these have been marked as Exts. 1, 2, 3, 4 series, 5 and 6 respectively. He has stated that the Opposite Party-Company did not attend any of the joint conferences. He sought for reinstatement with back wages.

P.W. 2 is an Lower Division Assistant in the Labour Commissioner's Office. The file relating to the Opposite Party Company as to the present industrial dispute between the Opposite Party-Company and the petitioner-workman is in his custody. He has proved the original statement of the employer before the conciliatory authority under the signature of P. K. Saha for the Opposite Party-Company, which has been marked as Ext. 5 (a)

The petitioner-workman has therefore, proved that he was serving under the Opposite Party-Company at a salary of Rs 320 per month, when his service was terminated on and from 25th June 1978 without service of any notice upon him and thus in violation of the principles of natural justice and therefore, the termination of his service by the Opposite Party-Company is not justified. He has proved that he made a demand of justice by his letter Ext. 1, dated 8th December 1978, which was received by the Opposite Party-Company on 9th December 1978, as is evident from the relevant acknowledgement receipt-Ext. 2. He has also proved Ext 3, a copy of his letter to the Labour Commissioner for his intervention in the matter, dated 26th December 1978, which bears an endorsement of receipt of the Labour Commissioner's Office. The conciliatory authority called for a number of joint conferences, as is evident from the letters-Exts. 4 series. Ext. 5 is a copy of the Employer's statement of this case to the Assistant Labour Commissioner, the original of which is Ext. 5 (a) and has been proved by P. W 2 from the file of the Labour Commissioner's Office relating to the present industrial dispute. The petitioner-workman controverted the Opposite Party-Company's case by his objection to the conciliatory authority, a copy of which has been marked as Ext. 6.

From the oral and documentary evidence referred to above, it is established that the termination of service of the petitioner-workman by the Opposite Party-Company is without any notice and without any reason as well. There is no case that the termination of service was by way of punishment of any misconduct on the part of the petitioner-workman and therefore, the termination of service of the petitioner-workman is not justified and the first part of issue No. 1 is so answered in the negative. The petitioner-workman, therefore, would be entitled to reinstatement and back wages since the termination of his service on 25th June 1978 till his reinstatement as well as to other benefits, as if his service was never terminated and the second part of issue No. 2 is so disposed of.

The Opposite Party-Company is, therefore, directed to cause reinstatement of the petitioner-workman within one month from the date of publication of this award and also to pay him back wages since his termination of service on 25th June 1978 till the date of his reinstatement as such.

This is my award.

25. (*1*) The provisions of the West Bengal Land Holding Revenue Act, 1979 shall, *mutatis mutandis*, apply to a *thika* tenant as if the said Act entends to the area described in Schedule I to the Calcutta Municipal Act, 1951 and as if the said area is a region within the meaning of the West Bengal Land Holding Revenue Act, 1979. West Ben. Act XXXIII of 1951.

The Calcutta Thika *Tenancy (Acquisition and Regulation) Bill, 1980.*

(Clause 25.)

(2) The Schedule to the West Bengal Land Holding Revenue Act, 1979, shall not apply to a *thika* tenant. The following shall be deemed to be the Schedule to the said Act being applicable to a *thika* tenant:—

In the case of any holding of a *thika* tenant the rate of revenue on land holding:—

(*a*) on the first rupees 10,000 of the total rateable value —5 paise in the rupee,

(*b*) on the next rupees 10,000 of the total rateable value — 8 paise in the rupee,

(*c*) on the balance of the rateable value 10 paise in the rupee.

STATEMENT OF OBJECTS AND REASONS.

The *bharatias* under the Calcutta *Thika* Tenancy Act, 1949, are vulnerable to the wishes of the *thika* tenants with regard to enhancement of huts or other structures occupied by them and with regard to ejectment therefrom. The provisions of that Act do not provide for protection of *bharatias* against ejectment or enhancement of rent at the whims of the *thika* tenants. Accordingly, there has been persistent public demand for regulating the relation between *thika* tenants and *bharatias*.

2. The *thika* tenants pay some rent to the landlords who are the owners of the land. Thus, the landlords continue to remain as intermediaries in Calcutta and in the Municipality of Howrah. There has also been a long-standing public demand that such system of intermediaries should be abolished and the State should establish direct link with *thika* tenants so as to regulate the premises held by them.

3. The Calcutta *Thika* Tenancy (Acquisition and Regulation) Bill 1980 is intended to meet both these public demands which were considered just, fair and equitable. In order to give some protection to the *thika* tenants and *bharatias* against ejectment, the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978, was enacted. It came into force on the 19th day of July, 1978. The life of that Act has been extended upto the 18th day of July, 1981. The object of that Act was to provide temporary protection against ejectment pending enactment of a comprehensive legislation to remove the public grievances, as already stated. Pending proceedings and appeals for ejectment of '*bharatias*' and 'thika tenants' will stand abated.

4. This Bill is also intended to provide for the acquisition of the rights of landlords in lands comprised in *thika* tenancies on payment of an amount calculated at a rate not exceeding ten rupees per square metre on the lines of the amount laid down in the Urban Land (Ceiling and Regulation) Act, 1976 and vesting thereof in the State free from all incumbrances. *Thika* tenants shall hold their lands under the State on terms and conditions to be prescribed in the rules, and the *bharatias* will enjoy the same protection against ejectment and enhancement of monthly rent, as enjoyed by the premises-tenants under the West Bengal Premises Tenancy Act, 1956. Since *bharatias* constitute a very poor section of the urban population, it has been provided that, instead of Civil Courts, disputes between *bharatias* and *thika* tenants will be decided by Controller.

5. It is also proposed that the provisions of the West Bengal Land Holding Revenue Act, 1979 shall apply to *thika* tenants in the matter of payment of revenue, but with a separate schedule as shown in clause 25 of the Bill.

6. The Bill seeks to achieve the above objects.

FINANCIAL MEMORANDUM.

This is a new Bill called the Calcutta Thika Tenancy (Acquisition and Regulation) Bill, 1980.

2 The Bill seeks to repeal the Calcutta Thika Tenancy Act, 1949.

3. Clauses 4, 5 and 7 of the Bill provide that the rights of landlord in land comprised in *thika* tenancy shall vest in the State and the landlord shall be paid an amount calculated at a rate not exceeding ten rupees per square metre in one or more instalments in the manner as may be prescribed. This involves some expenditure from the Consolidated Fund of the State. Some expenditure may also be incurred for strengthening the establishment of Thika Controller and Appellate authorities, which already exist. But none of these expenditures can be estimated at this stage and it is not possible to state with any degree of accuracy the probable amount of expenditure involved.

4. A substantial accretion to the revenue earning of the State is likely in view of collection of revenue from the thika tenants as laid down in clause 25 of the Bill. Since the assessing and collecting machinery of land revenue will be under the provisions of the existing law, namely, the West Bengal Land Holding Revenue Act, 1979, there will be possibly little extra expenditure on this account.

(*3*) the Murshidabad Act, 1946, or Ben. Act XV of 1946.

(*4*) the Murshidabad Estate Administration (Amendment) Act, 1959, West Ben. Act XX of 1959.

repealed under the Murshidabad Estate (Trust) Act, 1963.

STATEMENT OF OBJECTS AND REASONS.

The fulfilment of the purpose of the trust created by the Murshidabad Estate (Trust) Act, 1963 has become impossible as the expenditure on account of management and administration, under that Act, of the properties of the Murshidabad Estate (including the expenditure on account of recurring liabilities) exceeds the income from such properties and as such the said trust stands extinguished. It is, therefore, considered necessary and expedient to provide for the management of the properties of the Murshidabad Estate and for matters connected therewith or incidental thereto. The Government has, accordingly, decided that the Murshidabad Estate (Trust) Act, 1963 should be repealed.

2. The Central Government issued notification under sub-section (3) of section 4 of the Ancient Monuments and Archaeological Sites and Remains Act, 1958 declaring Hazar Duari Palace and Imambarah as ancient monuments of national importance. But in their view, the Official Trustee continues to be responsible for preservation of the art objects, books, manuscripts, records, oil paintings, etc., housed therein. As the Official Trustee is not in a position to discharge the responsibility properly on account of inadequate staff and resources of Murshidabad Estate, it is felt that the Director of Archaeology, Government of West Bengal, may manage the Hazar Duari Palace and Imambarah exclusively (with staff and funds to be provided by the Directorate), till the Government of India decides to take over the ancient monuments and the art objects, etc., by purchase or otherwise. The proposed legislation contains provision for such management.

3. The proposed legislation provides for—

(1) taking possession of the Murshidabad Estate by the State Government;

(2) appointment of an Estate Manager by the State Government to manage the properties of the Murshidabad Estate;

(3) empowering the Estate Manager, among other things, to take vacant possession of any property of the Estate, by evicting unauthorised occupants if they refuse or fail to comply with the order of eviction within 30 days of the date of its publication;

(4) grant of alternative accommodation only to such surviving sons and daughter of the late Nawab Bhadur Wasif Ali Mirza as are beneficiaries under the Murshidabad Estate (Trust) Act, 1963;

(5) empowering the Estate Manager to dispose of by sale or public auction any immovable property of the Estate with the previous approval of the State Government for the purpose of repayment of debts and discharge of liabilities which have become the first charge on the properties and income of the Murshidabad Estate. Such debts and liabilities exceed Rs. 60 lakhs;

(6) payment of monthly allowances to the surviving sons and daughter of the late Nawab Bhadur out of the net income from the properties of the Murshidabad Estate, if any, after meeting the expenses of management and discharging current liabilities.

4. The Bill seeks to enact the above-mentioned provisions.

FINANCIAL MEMORANDUM.

In consequence of the proposed legislation, after the Government takes over management of the Murshidabad Estate, the expenses of management and the current liabilities (arising out of the levy of wealth tax, income tax, agricultural income tax, municipal tax, land revenue, etc.) to the extent they cannot be met out of the income of the Estate may have to be borne by the Government. Such deficit is likely to be of the order of Rs. 6 lakhs per annum.

STATEMENT OF OBJECTS AND REASONS

The State Government have been considering enactment of new legislation in respect of state-aided universities in order to regulate their composition as well as functioning of different bodies. With this end in view the North Bengal University Bill, 1980 has been drafted. The Bill seeks to make the "University" a more democratic body with increased representation from teachers and representation for the first time from the students, non-teaching staff, primary and secondary school teachers' associations, peasant association and trade unions. The Academic Council has been abolished and the Faculties and Post-graduate Council of Studies have been amalgamated into the Faculty Councils. These Faculty Councils and Undergraduate Councils of Studies have been reorganised and definite powers and functions have been delegated to these bodies.

STATEMENT OF OBJECTS AND REASONS.

Sections 1 and 59 of the Calcutta University Act, 1979, came into force on the 31st December, 1979. Sections 7 and 8 of the said Act also came into force on the 1st day of March, 1980. The remaining provisions of the Act have not yet been brought into force. It is, however, felt that some amendments are necessary before the Act is brought into force in its entirety.

The amendments proposed to be made mainly relate to—

(a) the deletion of the removal clause in respect of the Vice-Chancellor and the Pro-Vice-Chancellor;

(b) the appointment of the Registrar by the Syndicate and not by the Chancellor ,

(c) the spelling out of the term "regular students" in respect of Post-graduate as well as Undergraduate students;

(d) the inclusion of one representative from research scholars and research fellows in the Senate ;

(e) the separate constituency of "Professors" and "Teachers other than Professors", students, non-teaching staff and Members of the Legislative Assembly in the case of representation to the Syndicate ;

(f) the prior approval of the State Government before creation of posts by the University ; and

(g) the inclusion of the Faculty Council for Post-Graduate Studies in Agriculture and Veterinary Science as one of the Faculty Councils for post-graduate studies.

The Bill seeks to amend the Act in the light of the above.

GOVERNMENT OF WEST BENGAL

LABOUR DEPARTMENT

ORDER

No. 3830-I.R./IR/10L-21/76.—7th August 1980.—Whereas under the Government of West Bengal, Labour Department, order No. 3789-I.R./IR/10L-21/76, dated 29th August 1978, the industrial dispute between Messrs. Indo-Japan Steels Ltd., 5/1 G. T. Road, Belurmath, Howrah and their workmen represented by Indo-Japan Steels Ltd. Employees' Union, 20 Mahendra Bagchi Road, Bally, Howrah, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Third Industrial Tribunal.

And whereas the said Third Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Indo-Japan Steels Limited, 5/1 G. T. Road, Belurmath, Howrah and their workmen represented by Indo-Japan Steels Limited Employees' Union, 20 Mahendra Bagchi Road, Bally, Howrah. (Case No. VIII-304/78).

Present:

Third Industrial Tribunal.

Appearances:

For the Company: Shri D. K. Ghosh, Advocate.
For the Union: Shri N. D. Srimani, Advocate.

AWARD

The Government of West Bengal, by its Labour Department, order No. 3789-I.R./IR/10L-21/76, dated 29th August 1978, referred the aforesaid industrial dispute between the parties herein to this Tribunal for adjudication of the following issue:

Issue

Whether dismissal of Sarbashree Phani Gopal Bhattacharjee and Pulak Bose is justified? What relief, if any, are they entitled to?

The reference was received by this Tribunal on 1st September 1978. In response to the notices issued to the parties, the Company appeared on 7th October 1978. Thereafter on 7th November 1978 the Union appeared. On 6th January 1979 the Union filed its written statement along with list of documents. On 17th April 1979 the Company filed its written statement and the list of document was filed on 4th

June 1979. Thereafter the Company raised a preliminary question relating to the validity of the domestic enquiry. Several dates were fixed to consider whether the Company's prayer for hearing on the preliminary question should be allowed or not. In the meantime, on 16th July 1980 both parties filed a joint petition of compromise.

It appears that after protracted negotiation, the parties eventually settled the dispute out of Court in terms of a Settlement embodied in the compromise petition, dated 13th July 1980. It is also submitted that there is no longer any subsisting dispute concerning the issue in the case pending for adjudication in this Tribunal.

Perused the Memorandum of Settlement. The main term of the settlement is that the dismissed employees mentioned in the issue of the Order of Reference, justifiability of whose dismissal was the subject-matter of adjudication before this Tribunal, would be reinstated and would be permitted to resume their duties from the date following on which the settlement is filed in Court and approved by this Tribunal. It was also agreed that from the date of dismissal till the date of resumption of work by these two workmen, these two employees would be deemed and treated to have been on special leave without pay but this should not affect the continuity of their service.

The terms appear to be fair and reasonable. Accordingly I accept the compromise petition along with the Memorandum of Settlement and pass a no-dispute award in terms thereof, as prayed for.

The compromise petition along with the Memorandum of Settlement do form part of the award

If on account of any lacuna or omission in the provisions of this Act, or for any other reason whatsoever, any difficulty arises as to the first constitution of any authority of the University under this Act, or otherwise in giving effect to the provisions of this Act, the State Government, as occasion may require, may by order do anything which appears to it to be necessary for the purpose of removing the difficulty notwithstanding anything to the contrary contained elsewhere in this Act or in any other law.

STATEMENT OF OBJECTS AND REASONS.

The State Government have been considering the enactment of new legislation in respect of State-aided Universities in order to regulate the composition of various bodies of the Universities and reallocate their powers and duties for effective functioning. With this end in view the Jadavpur University Bill, 1980 has been drafted. The Bill seeks to introduce for the first time two-tier administrative system for the Jadavpur University, i.e., the University will have two distinct bodies—"The University", a deliberative body and the Executive Council, a body vested with executive function. "The University" has been reconstituted as a more democratic body with increased representation from Teachers and representation for the first time from the student, non-teaching staff, primary and secondary school teachers' associations and trade unions. The Faculties have been reorganised as Faculty Councils of Post-Graduate and Undergraduate Studies and definite powers and functions have been delegated to these Faculty Councils.
